In the event that we use cloud-based IT services, personal information may be transferred internationally to other countries around the world, including countries that do not have data protection laws equivalent to those in the UK. We have security measures in place to seek to ensure that there is appropriate security for personal information we hold.

How long we keep your personal information:

We keep the personal information that we obtain about you during the recruitment process for no longer than is necessary. How long we keep your personal information will depend on whether your application is successful, and you become employed by us, the nature of the personal information concerned and the purposes for which it is processed.

If your application is successful, we will keep only the recruitment personal information that is necessary in relation to your employment. For further information, see *our data protection privacy notice (employment)*.

Keeping your personal information secure:

We have appropriate security measures in place to prevent personal information from being accidentally lost, or used or accessed in an unauthorised way. We limit access to your personal information to those who have a genuine business need to know it.
