Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

SOFT TOP

Sunshine state of mind: in about only 15 seconds, the automatic soft-top system of the Mercedes-AMG SL gives your customers their own personal place in the sun. With the top down, the SL impresses with outstanding comfort all year round. Even when the outside temperature is very low, the AIRSCARF and the zone seat heating create a cosy atmosphere.

The fully automatic, comprehensively insulated fabric top opens in about only 15 seconds at vehicle speeds of up to 37 mph.

2+2 SEATING

In everyday life, your customers will benefit from the intelligent space layout, as the SL is designed as a practical 2+2 seater. The fixed rear seat offers space for two additional occupants up to 1.50 metres tall or serves as additional stowage space within easy reach.

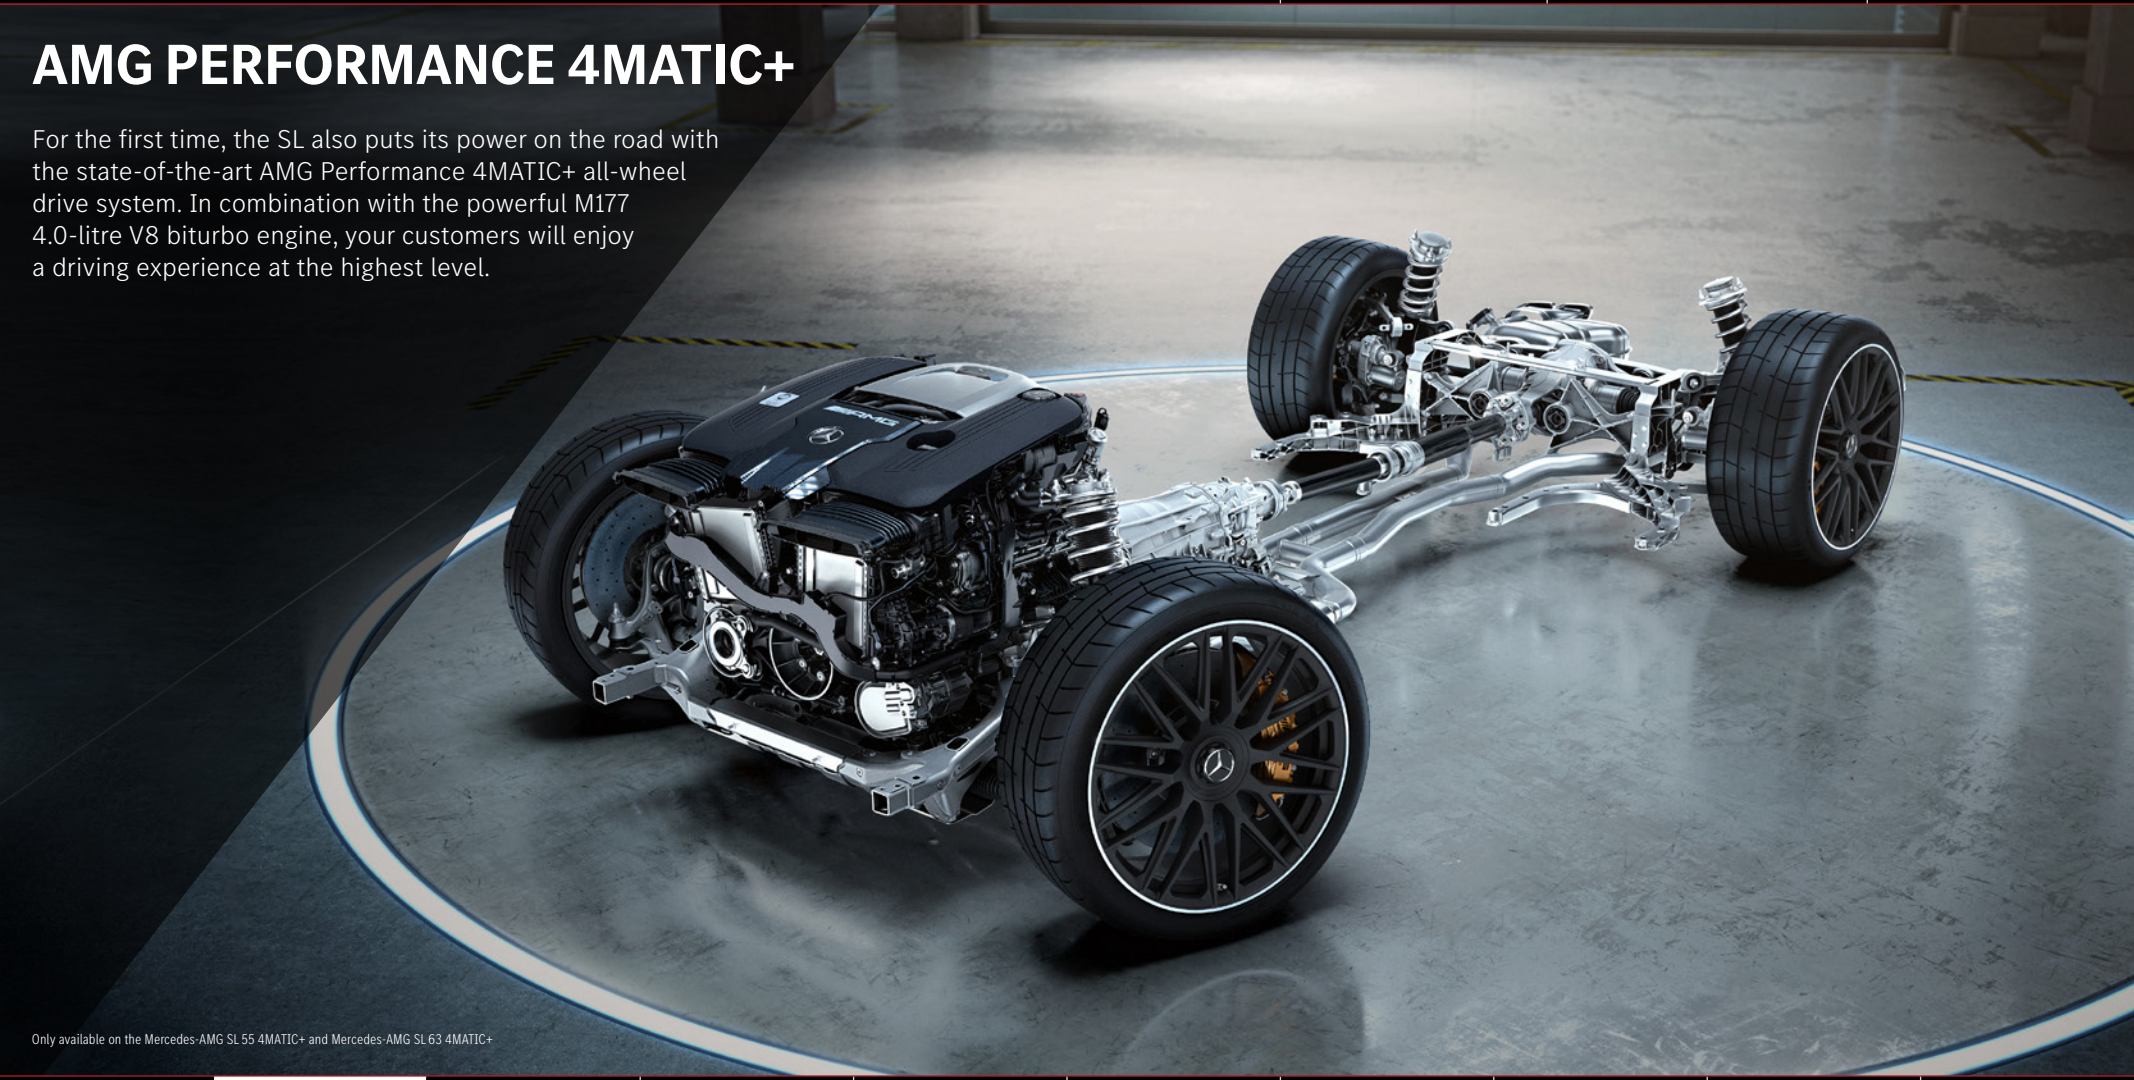

Mercedes-AMG SL

TECHNOLOGY

AMG PERFORMANCE 4MATIC+

For the first time, the SL also puts its power on the road with the state-of-the-art AMG Performance 4MATIC+ all-wheel drive system. In combination with the powerful M177 4.0-litre V8 biturbo engine, your customers will enjoy a driving experience at the highest level.

Only available on the Mercedes-AMG SL 55 4MATIC+ and Mercedes-AMG SL 63 4MATIC+

REAR AXLE STEERING

AMG rear axle steering combines attributes which are not normally combinable: driving safety and comfort as with a long wheelbase, yet the agility of a vehicle with a short wheelbase. On each rear wheel there is an electric actuator motor which can turn the wheels in the same direction as the front wheels or in the opposite direction, depending on the vehicle's speed. In extremely sporty situations, adaptation by the rear axle steering can avoid ESP® intervention.

Only available on the Mercedes-AMG SL 55 4MATIC+ and Mercedes-AMG SL 63 4MATIC+

MERCEDES ME CONNECT Stay connected any time, anywhere.

Mercedes me

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

Infotainment – Online and Entertainment services from Mercedes me connect

Love music? Get a 3-month free subscription to Tidal when you connect your car.

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock[2] you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

Forgot where you've parked? Parked Vehicle Locator[1] will show you exactly where your car is as long as you're in a 1-mile radius ofa where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Retailer or visit the Mercedes me connect store at shop.mercedes-benz.com/en-gb/connect

V8 EXTERIOR STYLING PACKAGE (code P90)

The V8 Styling Package gives your vehicle an even more expressive design.

- **Front apron in eight-cylinder look with specific ventilation grilles**
- **Side sill panels in eight-cylinder look**
- **Rear apron in eight-cylinder look**

Mercedes-AMG SL 43 Premium and Mercedes-AMG SL 43 Premium Plus only

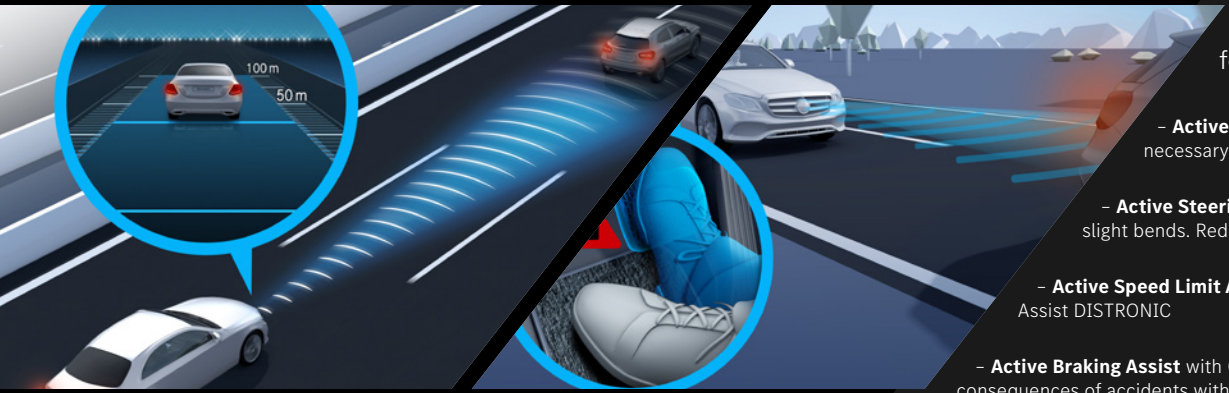

Total incl. VAT £3,100.00

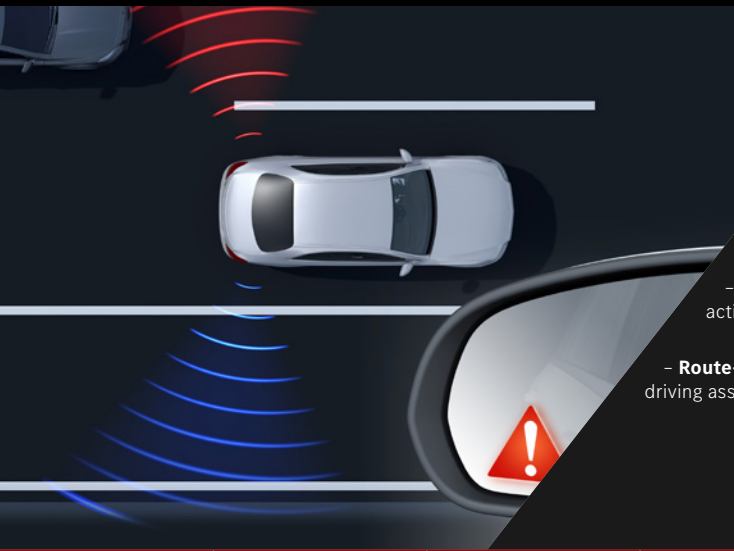

DRIVING ASSISTANCE PACKAGE (code P20)

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road.

- **Active Distance Assist DISTRONIC** controls the distance to vehicles in front up to a speed of 131 mph and if necessary brakes the vehicle with up to 50% of the maximum braking power

- **Active Steering Assist** helps the driver keep the vehicle in the centre of its lane on straight stretches of road or slight bends. Reduces the risk of accidents and improves protection for both the occupants and other road users

- **Active Speed Limit Assist** adopts speed limits detected automatically as the new set speed for Active Distance Assist DISTRONIC

- **Active Braking Assist** with Cross-Traffic Function and Congestion emergency braking function can help to avoid or lessen the consequences of accidents with vehicles in front as well as crossing vehicles and pedestrians

- **Evasive Steering Assist** is able to support the driver with making an evasive manoeuvre when, in a situation of danger, he/she decides to avoid a pedestrian who has been detected by the system

- **Active Blind Spot Assist** can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided brake application

- **Active Lane Keeping Assist** can warn the driver when they unintentionally leave their lane and can use one-sided brake applications to help manoeuvre the vehicle back into its lane (including in the case of broken lane markings if there is a risk of collision)

- **PRE-SAFE® PLUS** is able to initiate preventive measures to protect occupants against an impending rear impact, including warning traffic following behind, activating the seat belt tensioners or applying the brakes when the vehicle is stationary

- **Route-based speed adaptation.** Adaption of speed before curves, roundabouts, junctions, toll roads. Allows for smoother and more accurate functionality of several driving assistant systems

Total incl. VAT £2,500.00

Insurance ratings may vary depending on model line and specification.
Please refer to http://www.thatcham.org/abigrouprating/ for further details

[2]Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO_2 values [3]All figures are based on a standard specification with the smallest tyre size [4]The choice of wheels and transmission may affect CO_2 emissions and corresponding Road Fund Licence [5]The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK

Mercedes-AMG SL 43

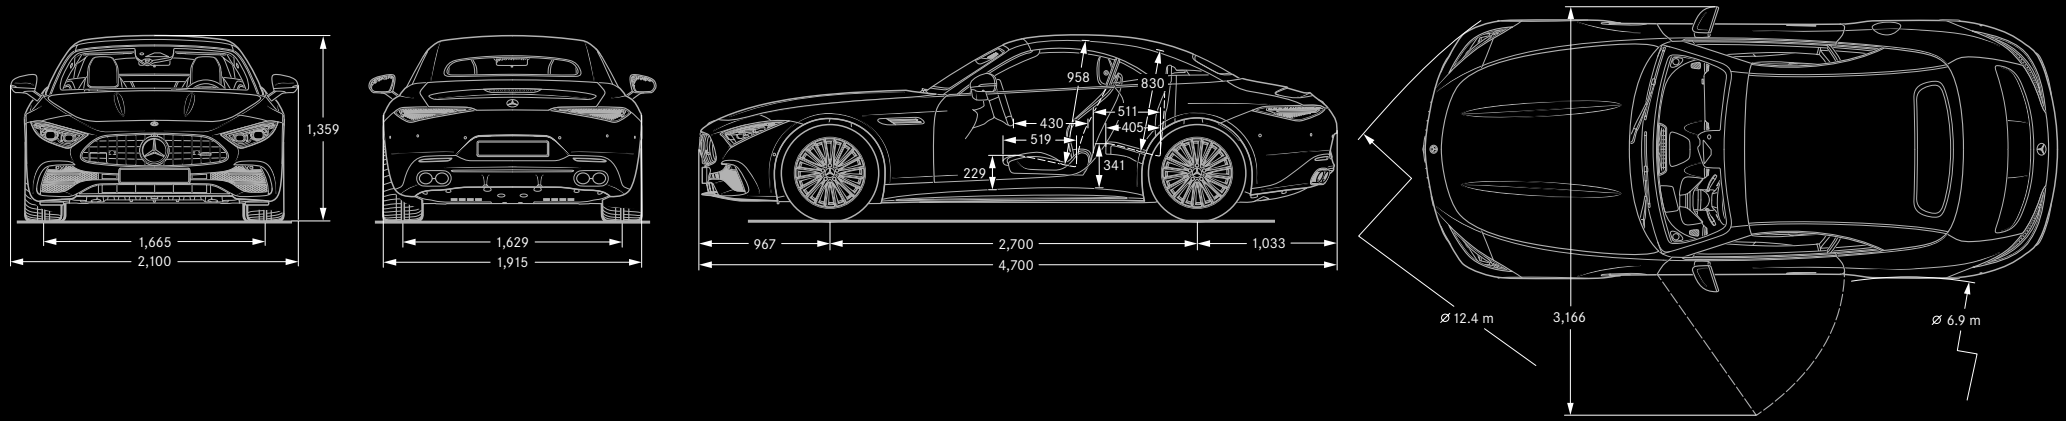

Mercedes-AMG SL 55 4MATIC+

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles

Mercedes-AMG SL 63 4MATIC+

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles

ROAD FUND LICENCE

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO_2 emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO_2 emissions and the relevant Excise Duty are shown on the model pricing pages.

					Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
Band	CO_2 emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate all other diesel (£)[1]	First year rate alternative fuel (£)	Standard rate (£)	Premium rate (£)[2]	Standard rate (£)	Premium rate (£)[2]	Standard rate (£)	Premium rate (£)[2]

[2]Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

SERVICES AND INSURANCE

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your Mercedes-AMG GT, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects[1] and up to 30 years warranty against perforation due to corrosion from the inside out.[2] What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.[2]

Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a five-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.
