# FINANCE THAT FITS

Once you've found the perfect Suzuki for you, you'll want to find an ideal finance package to go with it. There are a number of finance packages, so whatever your needs, you'll be spoilt for choice.

1. Finance packages are available from one to five years\*. We know you love choices, that's why we let you choose the period that works best for you.
2. Fixed payments are available, allowing you to budget and avoid any surprises.
3. You want flexibility? With Suzuki Finance Personal Contract Plan (PCP), you can have it. Set repayment periods from 25-49 months, then choose from three options when you reach the end of your agreement:
  1. Pay the final lump sum – pay the optional final payment (also known as the GFV) to own the car. The amount you pay for the car is agreed at the start of your finance contract so as long as you stick to the mileage restrictions and keep the car in good condition you know exactly how much it will cost you.
  2. Trade it in – part exchange the car\*\* (subject to settling your existing finance agreement and arranging a new one).
  3. Return it – don't pay the final lump sum payment and return the car\*\*\* (subject to the Suzuki Good Condition Guide, you will have to make additional payments if the car is not in good condition for its age and mileage, or if the car has exceeded its allowed mileage).

**We can help you find the finance deal that's right for you. Drop in to your local Dealer, pull up a chair and have a chat.**

Maximum mileage restrictions may apply, speak to your Dealer for details. \*1-5 years available on Hire Purchase only. \*\*Subject to settlement of your existing finance agreement; new finance agreements are subject to status. \*\*\*Subject to the vehicle being returned on time, in good condition (fair wear and tear accepted), within the permitted maximum mileage and all the required repayments having been made. Excess mileage charges apply. Finance is available to UK residents aged 18 years or over, subject to status (excludes Channel Islands and Isle of Man). Suzuki Finance, part of Lloyds Banking Group, St. William House, Tresillian Terrace, Cardiff CF10 5BH.

Finance is available for Republic of Ireland residents, subject to status and will vary from the above. The credit provider is Bank of Ireland Finance which is a registered trading name of Bank of Ireland.
