

The Kia EV4 & EV4 Fastback

Movement that inspires

Design

Make your presence known.

We believe in movement that inspires. Design that makes a statement. Technology that redefines expectations. The EV4 is where electric power meets choice. With bold Hatchback or aerodynamic Fastback body types, up to 388 miles* of all-electric range and cutting-edge features that maximise both comfort and space, it's your EV - your way.

*The electric range figure of 388 miles apply to the long-range EV4 Air equipped with the 81.4kWh battery.

Exterior Design.

Modern, clean proportions.

Stand out with a bold, edgy stance thanks to the EV4's wide shoulders, vertical headlamps, and sleek EV Tiger Face.

Sleek and dynamic in profile.

The athletic silhouette flows with sharp lines, flush door handles and a bold black roof detail.

Test Drive EV4

Exterior Design.

EV4 Fastback with elongated tail.

The EV4 Fastback features a streamlined silhouette with an aerodynamic edge, a sculpted dual spoiler and striking vertical LED tail lights.

Unique rear hatchback design.

The dynamic rear design with a sporty roof spoiler and sloped rear add style and aerodynamic efficiency.

Interior Design.

A cabin designed for more life.

Be inspired by the spacious EV4 cabin with best-in-class rear legroom and up to 490 litres* of trunk space for all you love.

*490 litres (4-door EV4 Fastback), measurements may vary.

Intuitive. Engaging. Premium.

The EV4's premium interior is fitted with panoramic displays, relaxation seating and smart storage for every journey.

Interior Design.

Details for driver enjoyment.

Elevate your drive with sleek steering wheel design, a column gear selector and sporty GT-Line metal pedals.

Next-gen ambient lighting.

Set the perfect cabin mood for every drive, from subtle glows to dynamic lighting sequences.

Connectivity & Convenience

Comfort where it matters.

Panoramic triple display.

Settle into the driver's seat and take control with a 12.3" driver cluster, a 5.3" climate touchscreen and a 12.3" navigation system (ccNC).

The Kia AI Assistant.

Just say "Hey Kia" and benefit from tips, directions and driving assistance from this smart in-car co-pilot.

[Find a dealer](#)

OTA updates & Kia Upgrades.

Always have the latest maps and infotainment with Over-the-Air updates, and unlock new in-car services with Kia Upgrades.

Music & Video Streaming.

Enjoy premium streaming, a panoramic display, and Harman Kardon audio for an immersive in-car experience.

Safety

Made for your protection.

Driving Assistants

Highway Driving Assist with Hands-on Detection (HDA2)

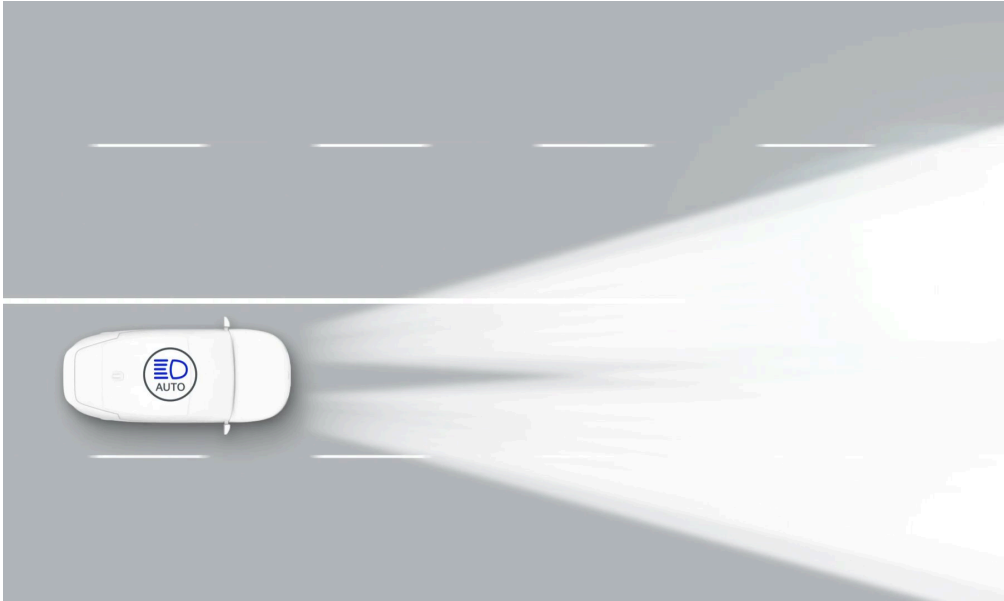

HDA2 with HoD automatically adapts your target speed to meet the limit, while keeping you at safe distance from the vehicle ahead. The upgraded heads-on detection sensors on the steering wheel detect whether you are touching it, even without movement, and adapt your speed accordingly. HDA 2.0 is even capable of changing lane automatically when you use the side indicator.

Smart Cruise Control 2 (SCC2)

SCC 2 helps you maintain a safe distance and steady speed on highways, adapting to traffic flow and slowing down for tight curves when needed. It automatically resumes your set speed once the road straightens. If you become unresponsive, the system will bring your EV4

Highway Assistants

Projection LED highlights with Intelligent Front Lighting System

This advanced technology adapts your beam automatically to the road and traffic ahead. Especially useful on night drives and poorly lit roads, it ensures excellent visibility for the driver while preventing glare for oncoming drivers.

[Test Drive EV4](#)

Anti-Collision Assistants

Blind-Spot Collision-Avoidance Assist (BCA)

BCA alerts you to any vehicles in your rear side blind spot when changing lanes. And if you're exiting a parallel parking space and a car is coming from behind, it can also activate automatic emergency braking to help avoid a collision.

Forward Collision-Avoidance Assist Junction Turning

FCA 2.0 monitors your surroundings for any possible collisions with cars, cyclists and pedestrians. If your braking isn't sufficient, your EV4 will step in automatically. It also assists in avoiding oncoming vehicles when turning at intersections and in other driving scenarios.

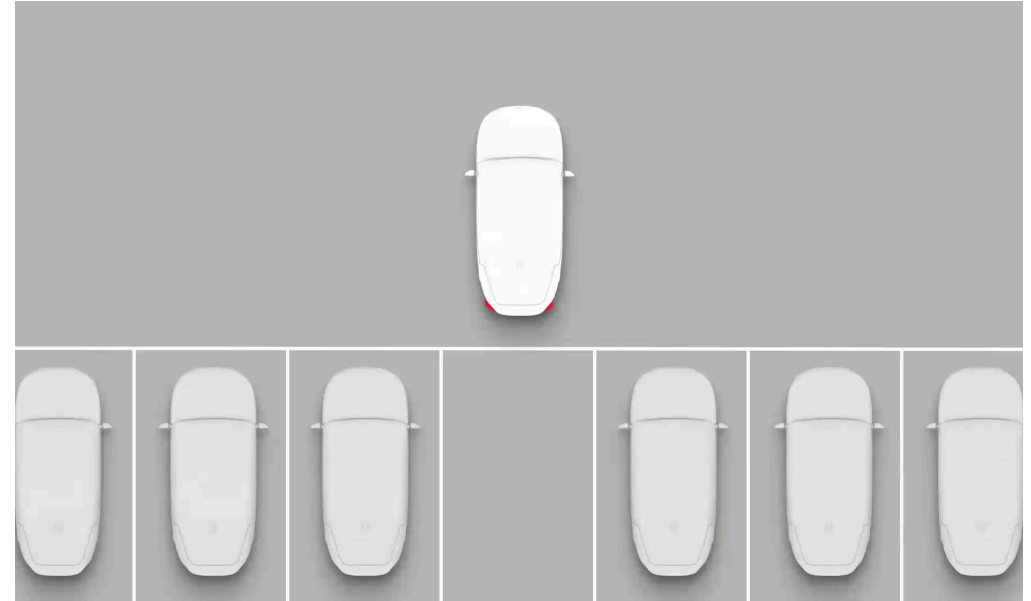

[Test Drive EV4](#)

Parking Assistants

Parking Collision-Avoidance Assist, Forward/Side/Reverse

Parking is stress-free in the EV4 thanks to Parking Collision-Avoidance Assist in all directions. It alerts you to potential hazards around the vehicle, and if necessary, automatically applies the brakes to help prevent a collision.

RSPA (Remote Smart Parking Assist)

Parking has never been simpler. The EV4 offers RSPA, giving you control using your Smart Key or the Kia App. This means you can manoeuvre your EV4 in and out of tight spaces in a straight line - all while standing outside, next to your car.

Test Drive EV4

Charging, Electric Efficiency

Drive further- faster

Charging & Range

Drive further - faster.

The Kia EV4 sets new standards for all-electric range and efficiency, offering up to 388 miles* on a single charge. Choose between two advanced battery options and enjoy rapid 127 kW charging that keeps you moving. With powerful acceleration, smooth dynamics and cutting-edge range management, the EV4 is engineered for both everyday practicality and long-distance confidence.

*The electric range figure of 388 miles apply to the long-range EV4 Air equipped with the 81.4 kWh battery.

Build your EV4

Accessories

Engineered to move with you.

Accessories

Load up your lifestyle.

Whether you want to add more flexibility, convenience or personal stylish touches, Kia's extensive range of accessories gives you more ways to personalise your EV4 just how you want it.

Kia App

Kia Connect... Your free seven-year connected services.

Kia Connect opens your Kia to the world of connected services. Once activated, it enables a number of essential digital features in your car. You can also install the Kia app on your smartphone and pair it with your Kia to control certain functions remotely and consult a wealth of information about your car.

In-car services

Your free seven-year Kia Connect, once activated, uses your vehicle's embedded SIM card to connect it to the world of live data.

Real-time traffic information

Your navigation system uses live traffic information to recommend the best route and dynamically predict the most accurate arrival time.

Speed cameras and danger zones

Be alerted to speed and traffic light cameras, and to areas where accidents are particularly common.

Weather information

With up to three days' weather forecast available, you can check weather conditions at your destination.

Points of interest

Are you looking for a place to eat, a local business or the nearest ATM? All this information and more is easily accessible via your Kia's live, connected directory.

Parking

Kia Connect helps you find available parking locations. It shows on and off-street parking locations, including prices and likely availability.

Fuel station information

The system shows you the nearest petrol stations and prices to plan a refuelling stop.

Charging station information (electric and plug-in hybrid vehicles only) Your car gives you the location of charging stations, with useful information such as availability and charging speeds available.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your display, so you can get directions, make a call and listen to music all while staying focused on the road.

Android Auto™ is designed to keep you perfectly connected to your phone while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Mobile application services

Once Kia Connect is activated in your Kia, it gives you access to a wide range of useful functionalities through the Kia App (available on Apple™ and Android™).

Find my car and first/last mile navigation

You can check the location of your car from your smartphone. Your app can also use augmented reality to guide you to your car. When driving and parking before reaching your exact destination, your app can give you guidance to walk the last bit of the way using augmented reality or Google Maps.

Vehicle status

The Kia app gives you an overview of your Kia's status including fuel/battery level, doors, windows, bonnet or tailgate. It lets you know if any of the vehicle's functions isn't working properly. You can also use the app to consult information about your past trips or to obtain a summary of key stats for your past month's driving.

Notifications and remote door control

You get warned if your vehicle's anti-theft alarm is triggered or if you left your doors unlocked. What's more, you can lock and unlock doors from your phone, wherever you are.

User-profile-linked vehicle settings

Select your preferred vehicle settings from your phone for a tailored experience once you get behind the wheel.

Valet mode

Activate the valet mode in your car and you can track its location and speed on the app. Ideal when you lend your vehicle to an airport's valet parking service. Kia services are available free of charge for a period of 7 years commencing on the day the vehicle is sold to the first owner of the vehicle and may be subject to change during that period. You need a smartphone with iOS™ or Android™ operating system and your own data plan to operate the Kia mobile apps. Your Kia needs to be in a location with Vodafone signal to connect to these services.

For new vehicles sold from May 2021, Kia offers, per vehicle, two free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software using the so-called "over-the-air" method ("OTA Updates"). Once the two free-of-charge OTA Updates have been consumed, you will be able to get updates of the maps in the vehicle's navigation system and of the Head Unit software only (i) by accessing the following web page <https://update.kia.com/EU/E1/Main> or (ii) at a dealership.

Kia Promise

7 more reasons to join our Kia family

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise - 7 great owner benefits when you buy your Kia and register at MyKia.

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

With every new or Approved Used Kia you can get driveaway insurance and a £250 Excess Return voucher free of charge. All Kia owners can use our Accident AfterCare service and with Kia Care Service Plans we offer great value fixed price servicing.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

At Kia we care about you as an individual and want to deliver service that fits your needs. When you visit one of our Dealers for a service your vehicle will benefit from a complimentary vehicle health check, a wash and vacuum and alternative transport if needed. We look forward to spending time getting to know you!

Kia Charge gives you access to the majority of public charging infrastructure in the UK and across Europe. It lets you locate stations, plan journeys, charge and pay, all with one solution.

Connectivity with Kia Connect & Over-the-Air Updates. Kia Connect is our range of connected services both in-car and through the Kia Connect mobile app. Over-the-Air Updates keep your infotainment system up to date using your Kia's mobile data connection.
