TOWING

Trailer Stability Assist (TSA)

TECHNICAL SPECIFICATIONS

PERFORMANCE

Maximum speed mph	118 (5 seats) / 117 (5+2 seats)
Acceleration (secs) 0-60mph	10.7 (5 seats) / 11.1 (5+2 seats)

FUEL CONSUMPTION

Fuel tank capacity (litres approx.)	65
-------------------------------------	----

POWERTRAIN

Capacity (cc)	1,999
Maximum power (HP/rpm)	150 / 4,000
Maximum torque (Nm/rpm)	380 / 1,750 - 2,500
Transmission	Automatic

WEIGHTS

Unladen weight (EU) (kg) - includes a 75kg driver, full fluids and 90% fuel	1,948 (5 seats) / 2,028 (5+2 seats)
Unladen weight (DIN) (kg) - Includes full fluids and 90% fuel	1,873 (5 seats) / 1,953 (5+2 seats)
Gross Vehicle Weight (GVW) (kg)	2,590 (5 seats) / 2,750 (5+2 seats)

TOWING

Unbraked trailer (kg)	750
Maximum towing (kg)	2,200
Maximum coupling point (nose weight) (kg)	100
Maximum vehicle and trailer combination (GTW) (kg)	4,790 (5 seats) / 4,950 (5+2 seats)

ROOF CARRYING

Maximum roof load (including cross bars) (kg)	75
---	----

DIMENSIONS

Height (mm)	1,727
Length (mm)	4,597
Width with mirrors folded (mm)	2,069
Width with mirrors out (mm)	2,173
Front wheel track (mm)	1,625.2 - 1,635.6
Rear wheel track (mm)	1,623.0 - 1,642.2
Wheelbase (mm)	2,741

HEADROOM

Maximum front/rear headroom with standard roof (mm)	1,003 / 984
Maximum front/rear headroom with panoramic roof (mm)	1,049 / 1,013

LEGROOM

Maximum front/rear legroom (mm)	993 / 968
---------------------------------	-----------

LOADSPACE CAPACITY

Height (mm)	798
Width (mm)	1,323
Width between arches (mm)	1,107
Length behind first row (mm)	1,771 (5 seats) / 1,824 (5+2 seats)
Maximum loadspace volume behind first row - Dry (litres)	1,574 (5 seats) / 1,451 (5+2 seats)†
Maximum loadspace volume behind first row - Wet (litres)	1,794 (5 seats) / 1,651 (5+2 seats)††
Length behind second row (mm)	980 (5 seats) / 967 (5+2 seats)
Maximum loadspace volume behind second row - Dry (litres)	963 (5 seats) / 840 (5+2 seats)†
Maximum loadspace volume behind second row - Wet (litres)	1,179 (5 seats) / 1,036 (5+2 seats)††

LOADSPACE CAPACITY

Length behind third row (mm)	225 (5+2 seats)
Maximum loadspace volume behind third row - Dry (litres)	115 (5+2 seats)†
Maximum loadspace volume behind third row - Wet (litres)	157 (5+2 seats)††

GROUND CLEARANCE

Ride Height (mm)	212
Approach Angle	22.8°
Departure Angle	28.2°
Ramp Angle	20.6°

TURNING CIRCLE

Kerb to kerb (m)	11.8
Wall to wall (m)	12.14
Turns lock to lock	2.31

WADING DEPTH

Maximum wading depth (mm)	600
---------------------------	-----

WLTP FUEL ECONOMY

WLTP Fuel Consumption (up to) (mpg)	38.0
WLTP CO ₂ Emissions (from) (g/km)	195

Pricing

Base Cost	£43,015.00
Configured Options	£1,290.00
Vehicle First Registration Fee	£55.00
Vehicle Excise Duty	£1,850.00
Final Price	£46,210.00*

Prices shown are effective from 1st April 2020. The information, specification and colours on this website may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment that may not be available in all markets. Please contact your local retailer for local availability and prices. Fuel consumption figures: the results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle with which this information may be supplied. Vehicles are not individually tested and there are inevitable differences between individual vehicles of the same model. The vehicle may also incorporate particular modifications. Vehicle is subject to availability and may vary from image shown. Vehicle price shown includes VAT, Road Fund Licence and First Registration Fee, actual price will be set by the Retailer. Promotions are available for a limited time at participating Retailers only, please contact your local Retailer to confirm vehicle availability, current prices and promotions.

‡ Figures provided are WLTP. WLTP is the new official EU test used to calculate standardised fuel consumption and CO₂ figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile.

Please note that the online valuation figures presented to you at this stage are calculated and provided by a third party and are not provided or validated by Jaguar Land Rover UK or Jaguar Land Rover UK franchise retailers. Valuations are guides only and we do not warrant that you will be able to sell, or buy a vehicle for the Valuation received. The actual sale or purchase price is dependent on a number of additional factors, including colour and condition of the vehicle, supply of similar cars within the open market, promotions on offer and location. You agree that you may therefore achieve a sale or purchase of a used vehicle at a level higher or lower than the Valuation following a full inspection. Valuations are provided on the basis of a single transaction between a domestic vehicle user buying or selling a vehicle in a private non-commercial capacity (typically known as an Average Private Sale price). Valuations are based on the information provided by you and accordingly you must provide complete and accurate information for a Valuation. The Valuations are based on assumptions for vehicles in a condition taking into account their age and normal usage, and are not adjusted to allow for any remedial work that has been undertaken to restore vehicles to an unusually high standard such as "concourse" show condition. This applies especially to vehicles that could be considered as "classic" models, or those that are collected by enthusiasts. The guide prices shown above are split into three categories with a brief description of each. Any Valuation given through this website is a valuation based upon what you tell us about the vehicle and not a price at which we are willing to buy the vehicle. Validation on any guide price shown will be received following an on-site inspection / full appraisal by a Jaguar Land Rover UK franchise retailer. For the avoidance of doubt, this Online Valuation is not a contractual offer to buy your vehicle. On-site Inspection / Full Appraisal: We appreciate that not all customers are experts in assessing the condition of their vehicle. Therefore, in order to confirm the valuation, we will need to see your vehicle at an official Jaguar or Land Rover UK retailer where we always carry out an on-site inspection / Appraisal of a vehicle where it will be fully and fairly appraised, including a road test before we can confirm the Online Valuation or offer to buy your vehicle. If we consider that its value is affected by any aspect of its history or condition, including any unusual feature or customisation, which was not apparent to us when the guide Online Valuation was provided, the price that we offer for it will differ from the Online Valuation.

†Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

††Wet: Volume as measured by simulating the loadspace filled with liquid.

*If vehicle is fitted with 18" wheels the top speed will be 221 km/h (137mph).

ΔRoof carrying load reduced to 60kg when Summer Tyres are fitted.
