Worry-free mobility with Audi.

Audi UK is pleased to support the Motability Scheme, giving eligible customers the opportunity of worry-free mobility.

If you receive either the Higher Rate Mobility Component of Disability Living Allowance (HRMC DLA), the Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC PIP), the War Pensioners' Mobility Supplement (WPMS) or the Armed Forces Independence Payment (AFIP), you may be eligible to join the Motability Scheme.

The Audi Motability Scheme includes:

- ▶ A new Audi every 3 years
- ▶ Insurance from RSA Motability (RSAM)
- ▶ Breakdown assistance
- ▶ Servicing, maintenance and repairs
- ▶ Adaptations if required, many at no extra cost

This guide provides a list of the models currently available from Audi UK under the Motability Scheme. To find out more, contact your local Audi Centre or visit [audi.co.uk/motability](https://www.audi.co.uk/motability)

*All vehicles are tested according to WLTP technical procedures. Figures shown are for comparability purposes; only compare fuel consumption, CO2 and equivalent electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles, vehicle load (and, for battery electric vehicles, the starting charge of the battery). Figures for plug-in hybrid vehicles were obtained using a combination of battery power and fuel. Plug-in hybrid vehicles require mains electricity for charging. Figures for battery electric vehicles were obtained after the battery had been fully charged. Battery electric vehicles require mains electricity for charging. Zero emissions while driving. Figures quoted are subject to change due to ongoing approvals/changes and range figures may include options not available in the UK. Please contact your local Audi Centre. Data correct at 1 October 2020.
