<b>DESCRIPTION</b>		<b>PRICE</b>
<b>DYNAMICS</b>		<b>£1,980.00</b>
Electronic air suspension	Range Rover Velar’s optional electronic air suspension system delivers outstanding comfort and capability both on and off-road by enabling a number of additional features. The system switches between ride heights when the terrain response settings are selected for improved ground clearance over obstacles and greater wheel travel at speeds less than 30mph. To help the ease of entry, exit and loading the Auto access height feature when enabled will lower the vehicle by -40mm below nominal height when arriving at your destination. For improved trailer hitching the vehicle height can be altered by +/- 50mm, and to reduce drag and fuel consumption the vehicle will lower when travelling on the motorway.	£1,165.00
Adaptive Dynamics	Adaptive damping monitors wheel position 500 times per second and body movements 100 times per second, to give precise control and minimise body roll.	£815.00
<b>WHEELS AND TYRES</b>		<b>£160.00</b>
Reduced section alloy spare wheel	Lightweight alloy reduced size spare wheel with vehicle jack and toolkit stored under loadspace floor.	£160.00
<b>TOWING</b>		<b>£1,035.00</b>
Electrically deployable tow bar	The electrically deployable tow bar is stowed discreetly behind the bumper, providing a clean and attractive finish. Approved for up to 2,500kg trailer load. Includes fixed rear recovery eye.  *Towing capacity is 2,400kg with D180 and P250 engines.	£1,035.00
		<b>TOTAL £3,175.00</b>

# STANDARD FEATURES

**DYNAMICS**

Terrain Response with Dynamic Program	Trailer Stability Assist (TSA)	Speed Proportional Electronic Power Assisted Steering (EPAS)
Coil Suspension	Single-speed transfer box (high range only)	8-Speed Automatic Transmission
Hill Launch Assist	Dynamic Stability Control (DSC)	Low traction launch
Electronic Traction Control (ETC)	Roll Stability Control (RSC)	Cornering Brake Control (CBC)
Torque Vectoring by Braking (TVBB)	Hill Descent Control (HDC)	Electric Parking Brake (EPB)
Anti-Lock Braking System (ABS)	Electronic Brake-force Distribution (EBD)	Passive suspension

**EXTERIOR FEATURES**

Unpainted brake calipers	Heated windscreen	Acoustic Laminated windscreen
Heated rear window with timer	Rain sensing windscreen wipers	Flush exterior door handles
Tailgate spoiler	SE badge	D240 badge
Velar and R-Dynamic badge	R-Dynamic Exterior Pack	Powered gesture tailgate
Auto-dimming, power fold, heated door mirrors with approach lights	Rear fog lights	Automatic Headlight Levelling System
Follow me home lighting	Automatic headlights	

**WHEELS AND TYRES**

---

Reduced section steel spare wheel	Tyre Pressure Monitoring System (TPMS)	All-season tyres
-----------------------------------	--	------------------

---

**INTERIOR FEATURES**

---

Bright metal pedals	Auto-dimming interior rear view mirror	Illuminated vanity mirrors
Front and Rear cupholders	Interior lighting	Metal front treadplates with R-Dynamic branding
Carpet mats	Lockable glovebox	Metal loadspace scuff plate

---

Lock only switch on front passenger door

6 airbags

Brake pad wear indicator

Advanced Emergency Brake Assist

Intrusion sensor

# TECHNICAL SPECIFICATIONS

**PERFORMANCE**

Maximum speed mph (km/h)	135 (217)
Acceleration (secs) 0-60mph (0-100 km/h)	7.0 (7.4)

**FUEL ECONOMY**

Fuel Tank Capacity (litres aprox.)	60
------------------------------------	----

**POWERTRAIN**

Capacity (cc)	1,999
Maximum power (HP/rpm)	240 / 4,000
Maximum torque (Nm/rpm)	500/ 1,500-2,500
Transmission	8-Speed Automatic Transmission

**WEIGHTS**

Unladen weight (EU) (kg)	1,911
Unladen weight (DIN) (kg)	1,836
Gross Vehicle Weight (GVW) (kg)	2,510

**TOWING**

Unbraked trailer (kg)	750
-----------------------	-----

**TOWING**

Maximum towing (kg)	2,500
Maximum coupling point (nose weight) (kg)	100
Maximum vehicle and trailer combination (GTW) (kg)	5,010

**ROOF CARRYING**

Maximum roof load (including Roof Rails) (KG)	79
---	----

**DIMENSIONS**

Height (Air/Coil Suspension) (mm)	1,677 / 1,685
Length (mm)	4,797
Width with mirrors folded (mm)	2,041
Width with mirrors out (mm)	2,145
Front wheel track (Air/Coil Suspension) (mm)	1,644 / 1,640
Rear wheel track (Air/Coil Suspension) (mm)	1,663 /1,657
Wheelbase (mm)	2,874

**HEADROOM**

Maximum front/rear headroom with standard roof (mm)	993 / 988
Maximum front/rear headroom with pano roof (mm)	970 / 966

**LEGROOM**

Maximum front/rear legroom (mm)	1,023 / 944
---------------------------------	-------------

**LOADSPACE CAPACITY**

Height (mm)	687
Width (mm)	1,247
Width between arches (mm)	1,050
Length behind first row (mm)	1,788
Maximum loadspace volume behind first row - Dry (litres)**	1,250
Maximum loadspace volume behind first row - Wet (litres)**	1,705
Length behind second row (mm)	1,011
Maximum loadspace volume behind second row - Dry (litres)**	513
Maximum loadspace volume behind second row - Wet (litres)**	834

**GROUND CLEARANCE**

Standard / Off Road ride height (mm)	205/248
Approach Angle - Standard / Off Road - Air Suspension (Coil)	25.9°/27.5° (25.3°/25.1°)
Departure Angle - Standard / Off Road - Air Suspension (Coil)	27.3°/30.2° (27.3°/26.8°)
Ramp Angle - Standard / Off Road - Air Suspension (Coil)	21.0°/24.9° (20.4°/21.0°)

**TURNING CIRCLE**

Kerb-to-kerb (m)	11.6
Wall-to-wall (m)	12
Turns lock-to-lock	2.52

**WADING DEPTH**

Maximum wading depth (Air/Coil Suspension) (mm)	650 / 600
---	-----------

**WLTP FUEL ECONOMY**

WLTP Fuel Consumption (up to) (mpg)	37.7
WLTP CO <sub>2</sub> Emissions (from) (g/km)	196

## Pricing

---

---

Base Cost	£57,950.00
Configured Options	£8,825.00
Vehicle First Registration Fee	£55.00
Vehicle Excise Duty	£1,850.00
Final Price	£68,680.00*

---

Prices shown are effective from 1st April 2020. The information, specification and colours on this website may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment that may not be available in all markets. Please contact your local retailer for local availability and prices. Fuel consumption figures: the results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle with which this information may be supplied. Vehicles are not individually tested and there are inevitable differences between individual vehicles of the same model. The vehicle may also incorporate particular modifications. Vehicle is subject to availability and may vary from image shown. Vehicle price shown includes VAT, Road Fund Licence and First Registration Fee, actual price will be set by the Retailer. Promotions are available for a limited time at participating Retailers only, please contact your local Retailer to confirm vehicle availability, current prices and promotions.

‡ Figures provided are WLTP. WLTP is the new official EU test used to calculate standardised fuel consumption and CO<sub>2</sub> figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile.

Please note that the online valuation figures presented to you at this stage are calculated and provided by a third party and are not provided or validated by Jaguar Land Rover UK or Jaguar Land Rover UK franchise retailers. Valuations are guides only and we do not warrant that you will be able to sell, or buy a vehicle for the Valuation received. The actual sale or purchase price is dependent on a number of additional factors, including colour and condition of the vehicle, supply of similar cars within the open market, promotions on offer and location. You agree that you may therefore achieve a sale or purchase of a used vehicle at a level higher or lower than the Valuation following a full inspection. Valuations are provided on the basis of a single transaction between a domestic vehicle user buying or selling a vehicle in a private non-commercial capacity (typically known as an Average Private Sale price). Valuations are based on the information provided by you and accordingly you must provide complete and accurate information for a Valuation. The Valuations are based on assumptions for vehicles in a condition taking into account their age and normal usage, and are not adjusted to allow for any remedial work that has been undertaken to restore vehicles to an unusually high standard such as "concourse" show condition. This applies especially to vehicles that could be considered as "classic" models, or those that are collected by enthusiasts. The guide prices shown above are split into three categories with a brief description of each. Any Valuation given through this website is a valuation based upon what you tell us about the vehicle and not a price at which we are willing to buy the vehicle. Validation on any guide price shown will be received following an on-site inspection / full appraisal by a Jaguar Land Rover UK franchise retailer. For the avoidance of doubt, this Online Valuation is not a contractual offer to buy your vehicle. On-site Inspection / Full Appraisal: We appreciate that not all customers are experts in assessing the condition of their vehicle. Therefore, in order to confirm the valuation, we will need to see your vehicle at an official Jaguar or Land Rover UK retailer where we always carry out an on-site inspection / Appraisal of a vehicle where it will be fully and fairly appraised, including a road test before we can confirm the Online Valuation or offer to buy your vehicle. If we consider that its value is affected by any aspect of its history or condition, including any unusual feature or customisation, which was not apparent to us when the guide Online Valuation was provided, the price that we offer for it will differ from the Online Valuation.

\*\*Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

\*\*Wet: Volume as measured by simulating the loadspace filled with liquid.
