## A TALENTED NEW FRIEND OF THE FAMILY

Hot on the heels of the launch of the new 19MY Outlander PHEV, we're delighted to introduce the new addition to the Outlander family; the 19MY Mitsubishi Outlander Petrol.

The all new Outlander Petrol delivers the high performance you would expect from a rugged SUV bearing the Mitsubishi name. It has a 2.0 litre MIVEC petrol engine which delivers powerful acceleration while also minimising environmental impact through high fuel efficiency and low CO<sub>2</sub> emissions. The impact on your wallet will be minimised

also, thanks to the efficient engine and lower cost of petrol.

The Outlander Petrol benefits from Mitsubishi's extensive off road expertise with Mitsubishi's All Wheel Control offering incredible traction and stability. The steering has been refined giving a much sharper feel, improved shock absorbers and extended use of structural adhesive for a stiffer bodyshell all result in an astounding improvement to handling responses.

Driving the Outlander Petrol is a nothing short of a pleasure too thanks to enhanced noise reduction measures that lower engine, road and wind noise. A premium leather interior\*, generous cabin space and comfortable seating allow 7 occupants to take their journey in style and comfort.

Available in a variety of bold colours, visit your Mitsubishi dealer today to discover more about this worthy addition to our line-up.

Note: Vehicles shown with accessory item - Large Rear Spoiler - available at additional cost.  
\* Standard on Outlander 4.

# CONVENIENT TECHNOLOGY

## ELECTRIC TAILGATE (OUTLANDER 4)

The tailgate can be opened and closed automatically from a switch located near the driver's seat.

## REAR CONSOLE VENTS

Adjustable vents are provided in the rear console to keep rear passengers comfortable in hot weather.

## PADDLE SHIFT

Sporty paddle shifters let you smoothly and electronically shift gears without removing your hand from the steering wheel.

## AUTO DIMMING REAR VIEW MIRROR

This mirror automatically reduces glare from the headlights of cars behind you to maintain a clear rear view and support safer driving.

## CVT AUTOMATIC

The engine is mated with an advanced CVT that automatically adjusts in response to changing road and vehicle conditions to deliver smooth, swift acceleration whenever you demand it, as well as outstanding fuel efficiency beyond what conventional automatic transmissions provide. For manual-like driving pleasure, you can also take advantage of the steering column-mounted paddle shifters.

## ELECTRONICALLY CONTROLLED 4WD

Electronically controlled 4WD offers incredible traction and stability even in challenging terrain by optimally combining with Active Stability Control (ASC). The Drive Mode Selector lets you easily select the most appropriate drive mode when desired: 4WD ECO mode for maximum economy, 4WD AUTO mode for normal driving conditions, or 4WD LOCK mode for rough terrain.

## ELECTRIC PARKING BRAKE WITH BRAKE AUTO HOLD

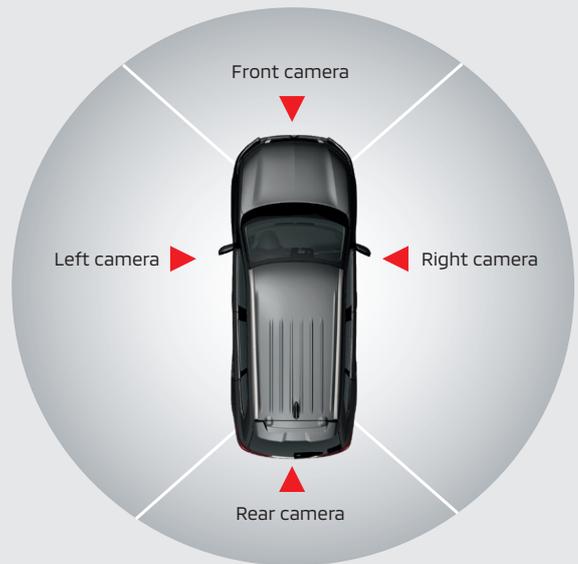

The parking brake on the floor console is easy to operate via a stylish switch. Simply pull the switch up to apply the parking brake or push the switch down to release it. While stopping at traffic lights, Brake Auto Hold keeps the vehicle stationary even if you release your foot from the brake pedal. Pressing the accelerator releases the brakes.

# SAFETY TO THE FORE

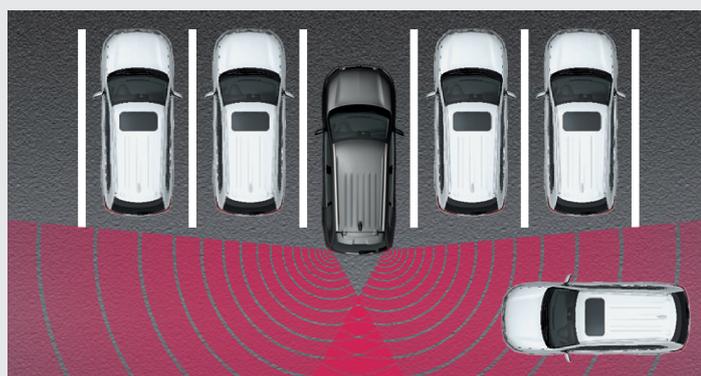

## 360-DEGREE CAMERA (OUTLANDER 4)

The views from cameras mounted on the front, rear and sides of the vehicle (including a bird's-eye view) can be displayed in various combinations to reveal what is in blind spots and help you park more safely.

## HEATED WINDSCREEN

Heated wires throughout the windscreen clear the glass of fog or frost to secure forward visibility in less time than by using the heater/defroster.

## REAR CROSS TRAFFIC ALERT [RCTA] (OUTLANDER 4)

An indicator appears in the combination meter display when RCTA is active. If radar sensors in the rear bumper detect an approaching vehicle nearby while reverse gear is engaged, a warning message appears in the multi-information display, a buzzer sounds and an indicator blinks in both door mirrors.

## BLIND SPOT WARNING [BSW] (OUTLANDER 4)

This safety feature uses radar sensors in the rear bumper to detect vehicles in your rear blind spots, on the right and left sides. An indicator appears in the door mirror when BSW is active and the turn signals are off. When a vehicle is detected while the turn signal is on, an indicator blinks in the corresponding door mirror and a buzzer sounds.

# LIBERATING SPACE AND COMFORT

The Outlander surrounds you and your passengers with comfort. Even the longest journeys are refreshing thanks to generous cabin space, comfortable seating that accommodates up to seven occupants and premium quality materials including genuine leather. The rear seating can be flexibly arranged to meet changing needs.

## ADAPTABLE SEATING

It's easy to flexibly arrange the second and third-row seats to carry almost any combination of passengers and luggage. You can even fold down all rear seatbacks to create an extremely large and flat luggage area.

## THIRD ROW COMFORT

Padding and springs in the third-row seat cushions contribute to riding comfort. You can recline the seatbacks to any of four settings.

# MITSUBISHI AFTERSALES CARE

With a new Mitsubishi, you get a safe and reliable vehicle that is a real pleasure to drive. You also become part of the Mitsubishi family. And as our nearest and dearest, we want you to feel protected should you ever encounter a problem – that's why we have **me&my**, which encompasses a wide range of benefits:

- A comprehensive **five-year, 62,500-mile warranty** (please ask your Authorised Mitsubishi Dealer for full details).
- The **Mitsubishi Assistance Package (MAP)**, which provides the reassurance of roadside or home breakdown assistance for the first three years following registration. It includes vehicle recovery following a breakdown or accident, help if your vehicle is stolen or vandalised, and even if you should accidentally fill up with the wrong fuel. 24/7 cover extends to over 30 countries throughout Europe. So wherever you are, and whatever you're doing – if the unexpected does happen, help is always at hand.
- In the unfortunate event of an accident we have **Mitsubishi First** – our customer support service for all Mitsubishi drivers. No matter which insurer you use, Mitsubishi First smooths your progress through an insurance claim, handling everything on your behalf – and all at absolutely no cost to you.

**me&my** MITSUBISHI

And once you're part of the family... it's service with a smile:

- A **Mitsubishi Service Plan**, purchased at the same time as your vehicle, covers the first three scheduled services for a modest sum. It can be included in your vehicle's finance and transferred to a new owner if you sell.
- Mitsubishi Motors also offer superior **insurance cover** at a competitive price, which is specifically designed for Mitsubishi vehicles and uses only genuine parts and approved repair centres.
