

The Kia XCeed

The Crossover.
Redefined.

Movement that inspires

The Crossover. Redefined.

Life moves fast. You have places to go, people to see, ideas to bring to life. You need a car that can keep up. A car that delivers on the practical side of things, while also bringing you the kind of style, innovation and inspiration that drives you. The Kia XCeed is a crossover that redefines the category. A crossover that offers you impressive functionality, along with all the things that matter most to you. You'll love the bolder-than-ever sporty design. The way the Kia XCeed demands to be noticed. The smart connectivity features that let you stay in touch on the go. With the Kia XCeed, you'll discover a crossover designed to match your lifestyle. And go beyond all expectations.

A striking presence on the road.

From every angle, the expressive, sculptural design grabs your attention. Clear, strong proportions create an undeniably bold stance and an iconic silhouette that's instantly recognisable. The Kia XCeed pays attention to every detail: impactful new LED rear lights offer high-tech, progressive optical design. The sporty lower diffuser, side sill insert in matching body colour and high-gloss black roof rails add eye-catching style (grade dependent). Edgy, eye-catching enhancements in the GT-Line include new LED tail lights, a dedicated grille and a revamped bumper. Dark satin chrome inserts and the GT-Line style new dedicated 18" alloy wheel design round off the crossover's athletic appeal, and elevate the sporty aesthetic even further (grade dependent).

Exterior

Challenge your perceptions.

Go beyond all expectations.

Eye-catching exterior. A bolder than ever presence. With playful enhancements on the GT-line including LED tail lights, a dedicated grille and a sporty lower air-intake.

Strikingly sporty. Enhanced, sculpted and ready to thrill, the Kia XCeed excites the eye from all angles. New dark-satin chrome inserts and the GT-line's new dedicated 18" alloy wheel design complete its standout athletic appeal.

Dramatic rear styling. The Kia XCeed's eye-catching rear design with its low angle, sporty dimensions and distinctive rear bumper has been refined with a new diffuser featuring a glossy black skid plate, along with a new more subtle exhaust that rounds off the car's sporty aesthetic.

Advanced easy loading. Smart Power Tailgate technology makes it easy to load your bags and belongings even when you have your hands full. The boot lid opens automatically when you approach the rear of the car with the key in your pocket or bag. Plus, the back seats split and fold in a 40:20:40 configuration to boost the boot's capacity to up to 1,378 litres. Available on the GT-Line S only.

Head-turning style. Strikingly bold with updated dark-satin chrome air curtains, a revamped bumper and the GT-line's new larger 18" alloy wheel design elevate the sporty aesthetic even further.

Interior

An immersive journey for everyone.

A space that sparks your language.

The Kia XCeed offers you a balance of comfort, sportiness and style. Most importantly, it's made to revolve around you. Inside the cabin, you'll find a space where you'll feel both at ease and in control, thanks to sophisticated details, premium materials and a clean tech aesthetic. The D-Cut steering wheel with striking GT-Line emblem feels as good as it looks. The black headliner, perforated leather gear knob and stylish grey stitching on the leather seats add to the crossover's distinctive style and to the pleasure of every ride.

Dashboard Interior. The Kia XCeed redefines what functionality looks like, with sleek design, smooth finishes and sporty touches. Everything you need is right where you need it. Starting with the stand-out themes for the 12.3" digital cluster (grade dependent), and the new automatic gear shift panel in glossy black. A new rear-view mirror with thin bezel gives an added touch of sportiness to the cabin, while newly designed control labels keep the latest tech features conveniently at your fingertips.

Cutting-edge ways to stay in touch.

Ideas don't keep office hours. Inspiration can strike any time of the day or night. Maybe it's a place you've never visited, or a call you've been meaning to make for ages. Perhaps a friend you need to see. Well, with its full range of advanced connectivity features and innovations, the Kia XCeed lets you keep the world as close as you need it to be.

10.25" Navigation System. Navigation, information and entertainment are seamless and stress-free thanks to the sleek 10.25" navigation system.

Build your XCeed

JBL sound system. Every journey needs a soundtrack. Whether it's the local radio station, your favourite podcast or an album you never get tired of hearing. With the JBL sound system, you'll want to linger behind the wheel. Eight speakers and advanced Clari-Fi music restoration technology deliver premium, high-definition sound for all your listening pleasure (grade dependent).

Build your XCeed

Wireless charging. Functionality is key in the Kia XCeed. And since few things are more essential than a fully charged smartphone, you'll find the high-speed wireless charging bay an inspired addition to the cabin (grade dependent).

Rear Seat USB-C charging port. Everyone has the power in the Kia XCeed including your rear passengers, who have a handy USB-C charging port to keep them connected while on the go.

For all the moments ahead.

Life can take us to all sorts of places, to journeys near and far, to roads known and unknown. With the Kia XCeed, we wanted to create a car so comfortable and flexible that you'll always be ready to go. To travel an extra mile or stay another night away. With a spacious interior, a generous amount of boot space and foldable seats, you'll have more than enough room for everyone. For that little added enjoyment, you'll find heated seats to keep you comfortable.

40:20:40 flat-folded seats.

Because your comfort and convenience are at the heart of the Kia XCeed, your seats fold 40:20:40 (grade dependent).

Integrated memory seat button.

Don't even think about it. Integrated memory seat buttons will make sure you're comfortable on every ride (grade dependent).

Heated steering wheel. It's the small things that can make all the difference, and the Kia XCeed has thought of everything. A warm steering wheel on a cold day will go a long way to making your journeys even more enjoyable (grade dependent).

Heated seats. Stay cosy. The Kia XCeed boasts front and rear seats which can be heated on cooler days to keep you nice and warm. The seats warm quickly and then stay at the temperature you've chosen for as long as you need.

Performance & Safety

Less time for worry, more time
for inspiration.

The combination of power and grace.

In the Kia XCeed, you'll find each drive to be an absolute pleasure. Expect dynamic, fluid performance on the road thanks to a powerful 1.5 T-GDi powertrain which can be configured with 6-speed manual or 7-speed dual clutch transmissions. Gear changes are seamless with paddle shift levers that allow you to smoothly transition from gear to gear without taking your hands off the wheel.

Lane Follow Assist. The system uses a camera to monitor road markings and keep your car in the centre of its lane.

Navigation-based Smart Cruise Control. Rush hour is a breeze with Navigation-based Smart Cruise Control. The system allows you to maintain a set speed of your choosing, as well as a safe distance from the car ahead.

Blind-Spot Collision-Avoidance Assist. Another innovative assistive technology to make your time on the road safer and stress-free is the Blind-Spot Collision Warning system. A feature which uses a front camera and rear radar sensor to monitor blind spots and warn of oncoming cars via a symbol in the side-view mirror (grade dependent).

Driver Attention Warning. With the smart Driver Attention Warning feature, you'll be cautioned when you need to refocus on the road.

12.3" TFT Supervision Cluster Display.

Enjoy every journey to the fullest knowing that everything which requires your attention is right in front of you. The refined yet sporty instrument cluster offers a widescreen display and high-definition graphics so that you'll have the full picture at all times.

Automatic transmission. The Kia XCeed redefines sporty driving, in both performance and looks. On top of offering fuel economy akin to that of a manual-operated gearbox, the dual-clutch transmission offers clutch-less driving with seamless and swift transition between its seven gears.

Rear Cross-Traffic Collision-Avoidance.

Hassle-free reversing is here. The Rear Cross-Traffic Collision-Avoidance system uses rear-mounted sensors to detect oncoming cars when you're reversing out of a parking space or driveway, helping to avoid and prevent rear collisions.

Kia App

Kia Connect... Your free seven-year connected services.

Kia Connect opens your Kia to the world of connected services. Once activated, it enables a number of essential digital features in your car. You can also install the Kia app on your smartphone and pair it with your Kia to control certain functions remotely and consult a wealth of information about your car.

In-car services

Your free seven-year Kia Connect, once activated, uses your vehicle's embedded SIM card to connect it to the world of live data.

Real-time traffic information

Your navigation system uses live traffic information to recommend the best route and dynamically predict the most accurate arrival time.

Speed cameras and danger zones

Be alerted to speed and traffic light cameras, and to areas where accidents are particularly common.

Weather information

With up to three days' weather forecast available, you can check weather conditions at your destination.

Points of interest

Are you looking for a place to eat, a local business or the nearest ATM? All this information and more is easily accessible via your Kia's live, connected directory.

Parking

Kia Connect helps you find available parking locations. It shows on- and off-street parking locations, including prices and likely availability.

Fuel station information

The system shows you the nearest petrol stations and prices to plan a refuelling stop.

Charging station information (electric and plug-in hybrid vehicles only) Your car gives you the location of charging stations, with useful information such as availability and charging speeds available.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your display, so you can get directions, make a call and listen to music all while staying focused on the road.

Android Auto™ is designed to keep you perfectly connected to your phone while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Mobile application services

Once Kia Connect is activated in your Kia, it gives you access to a wide range of useful functionalities through the Kia App (available on Apple™ and Android™).

Find my car and first/last mile navigation

You can check the location of your car from your smartphone. Your app can also use augmented reality to guide you to your car. When driving and parking before reaching your exact destination, your app can give you guidance to walk the last bit of the way using augmented reality or Google Maps.

Vehicle status

The Kia app gives you an overview of your Kia's status including fuel/battery level, doors, windows, bonnet or tailgate. It lets you know if any of the vehicle's functions isn't working properly. You can also use the app to consult information about your past trips or to obtain a summary of key stats for your past month's driving.

Notifications and remote door control

You get warned if your vehicle's anti-theft alarm is triggered or if you left your doors unlocked. What's more, you can lock and unlock doors from your phone, wherever you are.

User-profile-linked vehicle settings

Select your preferred vehicle settings from your phone for a tailored experience once you get behind the wheel.

Valet mode

Activate the valet mode in your car and you can track its location and speed on the app. Ideal when you lend your vehicle to an airport's valet parking service.

Kia services are available free of charge for a period of 7 years commencing on the day the vehicle is sold to the first owner of the vehicle and may be subject to change during that period. You need a smartphone with iOS™ or Android™ operating system and your own data plan to operate the Kia mobile apps. Your Kia needs to be in a location with Vodafone signal to connect to these services.

For new vehicles sold from May 2021, Kia offers, per vehicle, two free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software using the so-called "over-the-air" method ("OTA Updates"). Once the two free-of-charge OTA Updates have been consumed, you will be able to get updates of the maps in the vehicle's navigation system and of the Head Unit software only (i) by accessing the following web page <https://update.kia.com/EU/E1/Main> or (ii) at a dealership.
