QUALITY MANAGEMENT-BRAND STRENGTH

Corporate Vision

To Make AGTL a Symbol of Success.

Mission

- With AGTL's name being synonymous with stability, profitability, brand strength and customer loyalty, AGTL's mission is to retain market leadership as the lowest cost producer of the highest quality products – the most enduring competitive edge being the quality of our tractors.
- With corporate virtue, AGTL's mission is to be a text book case example of good Corporate Governance and through Corporate Social Responsibility create mutually beneficial relationships between the Company, Stakeholders and the Community.
