# LOADSPACE

Versatile and capable. The 2,024 litre\* loadspace is maximised through additional underfloor stowage, and convenient side and tailgate access. Find what you're looking for fast with ultra-bright headliner lights, up to four times more luminous than standard passenger bulbs.

- Loadspace length: 1,638mm
- Loadspace width: 1,411mm
- Loadspace height: 902mm
- Loadspace tailgate opening height: 842mm
- Loadspace tailgate opening width upper/lower: 926mm/1,150mm

## STOWAGE

Discovery Commercial features a 74 litre lockable stowage compartment that stretches the width of the vehicle and is accessed conveniently through the side doors.

Protect your load and floor from scratching with integrated non-slip, heavy-duty mats. Fully removable for easy cleaning. And secure your load from movement and damage over even the harshest terrain, with six fixed lashing points.

\*Wet: Volume as measured by simulating the loadspace filled with liquid.

# CAPABILITY

Capability and composure in equal measure. Class-leading towing power and payload capacity combine with intelligent technologies that put you in the driving seat.

## ALL-TERRAIN CAPABILITY

Discover your business capability with all-terrain technology. Optional Terrain Response 2\* monitors conditions to automatically select the right driving mode to maximise performance and comfort. With ClearSight Ground View, you can effectively see ‘through’ Discovery Commercial’s bonnet and display multiple exterior views.

## AIR SUSPENSION

For unsurpassed on-road refinement, Electronic Air Suspension seamlessly adjusts ride heights, while Automatic Access Height makes loading easy by lowering suspension when parked.

## ADAPTIVE DYNAMICS

Drive in comfort and confidence. Adaptive Dynamics continuously monitors road conditions and driving style, automatically adjusting your suspension settings.

## CARRYING

Discovery Commercial makes light work of the heaviest loads with a maximum 784kgs payload.

## TOWING

With a towing capacity of up to 3,500kg, Discovery Commercial deals with all kinds of loads. Optional Advanced Tow Assist enhances safety through Touchscreen trailer manoeuvrability and driving style, automatically adjusting your suspension settings.

\*Only available with twin-speed transfer box.  
Image shown on the right is Clearsight Ground View technology.

# EXTERIOR DESIGN

> INTERIOR DESIGN

From its assertive and recognisable stance to the side body-coloured ingots, every facet of Discovery Commercial’s design is contemporary and effortless. The front bumper and grille give Discovery Commercial a wider, lower emphasis while the Matrix LED headlight technology\* improves visibility.

A full width, darkened rear graphic alongside an updated rear bumper enhance the visual harmony of the rear end and elevate the vehicle’s contemporary appeal. With privacy glass as standard, your interior is for your eyes only.

\*Model dependent  
Vehicle shown is Discovery Commercial HSE in Portofino Blue.

Enjoy the benefits of enhanced design. Everything is still within easy reach from the luxury of the electric, multi-way leather front seats in stunning Ebony, available with grained leather seat facings or Windsor leather seats. The integrated centre console provides additional storage for small items in non-slip moulded trays. Access infotainment with Pivi Pro, avoid traffic hold-ups with Connected Navigation and manoeuvre into the tightest spaces with 3D Surround Camera.

Creating a light and airy feel, the new, simplified loadspace barrier enables an improved view of the rear space. Look closer and you'll also find additional integrated storage hooks and nets. These handy features are designed to hold everything from paperwork to workwear. Durable deep sided rubber mats protect Discovery Commercial's interior from muddy boots.
