STYLE.

Blazer is modern and sophisticated inside and out with a road presence that's hard to ignore. Each trim is distinguishable with unique design details – including highly styled and distinctly different interiors – so customers can choose a vehicle that suits their personal style. Varied grille designs by trim and available 20- and 21-inch wheel options take the customization even further.

COMFORT.

Inside, you're greeted with a spacious, driver-focused interior. Conveniently located controls help drivers remain comfortable, while available additional extras such as automatic heated steering wheel and suede microfiber or premium leather-appointed seating, help elevate the drive experience.
