

CUSTOMISE SEAT ACCESSORIES

TECHNOLOGY TO ENJOY

ACCESSORIES

Now the fine tuning.

Choose from our wide range of SEAT Genuine Accessories and let your car reflect your personal style, equipped for the life you lead. Specifically designed and fully tested to give your car outstanding functionality, safety and quality, all SEAT Genuine Accessories come with a two-year warranty* (unless otherwise stated in the model accessories brochures), extended to three years† when bought and fitted before registration of a brand new vehicle.

When you purchase your SEAT with SEAT Finance you can include the cost of accessories on your SEAT Finance agreement (subject to status) and spread the costs over the period of your loan. So make your SEAT your own and enjoy every mile and opportunity with genuine peace of mind. Every day.

ONLINE ACCESSORY ORDERING

Quick, easy, online and fitted at your Dealer.
Just 'click+go'.

'click+go' is the quick and easy way to order our popular range of SEAT accessory packs online and at your local dealership.

Where you see  next to an accessory pack you can book a fitting appointment at your chosen dealer. Prices are 'fitted' prices including painting where required, with no hidden extras. Just give us a few details and use the online calendar to confirm a day and time for having your accessory pack fitted.

With easy steps to follow it really is straightforward and, of course, you can 'click+go' any time, 24/7.

Mii | IBIZA | TOLEDO | LEON | ATECA | ALHAMBRA

PROTECT AND CARE

Autoglym LifeShine

LIFE ON THE ROAD CAN BE TOUGH. LIFESHINE IS TOUGHER.

LifeShine by Autoglym offers an advanced system of protective treatments to keep your car in top condition for the lifetime of your ownership. From bumper to bumper, inside and out, the finest LifeShine treatments are used to prepare your new car to the highest standards to maintain appearance and retain resale value.

From harsh motorway contaminants and acid rain showers, to unwanted mucky fingers or a coffee spill on the seats, LifeShine ensures maximum protection for your vehicle from day one.

Autoglym complimentary aftercare kit.

Carbon Shield Technology™

Body gloss shield

All exterior paintwork is treated with a unique protective coating to enhance shine and ensure maximum resistance to environmental hazards, even the severest of winter weather. The water-repellent coating is easier to keep clean and maintains a deep glossy shine.

Glass guard

All external side and rear windows are treated with a long-term, optically-clear, non-stick, easy-to-clean coating. As you drive, the raindrops roll off to give greatly improved visibility and safety.

Interior protectant

Upholstery (fabrics and leather) and carpets are treated with a durable water-resistant coating to seal out moisture and resist staining. Any spillages simply bead on the surface, whilst dust and sticky marks are easily removed.

Lifetime guarantee

Autoglym LifeShine is not available on the High Street and must be professionally applied by your local SEAT dealer. With the LifeShine system you will receive a lifetime guarantee. Subject to reasonable ongoing care your vehicle will remain in top condition, but the comprehensive warranty provides complete peace of mind for the entire duration of ownership. Includes complimentary aftercare kit.

PROTECT AND CARE

Autoglym car care

A PASSION FOR PERFECTION.

Getting great results every time you wash your car is not as difficult as you may think. It just takes the right products, a little time and a bit of know how. Once you've experienced the results of Autoglym Car Care products, there's just no going back.

Perfect polishing cloths 8-pack

Using the correct texture of polishing cloth is essential in obtaining a perfect shine. This 100% cotton material, totally free of synthetic fibres, has perfect weave density and absorbency for polishing.

Vinyl & rubber care 500ml

Gently cleans all interior plastics, vinyl and rubber and forms a tough but flexible anti-static barrier against moisture, dust, staining and fading on fascias and instrument panels.

Fast glass 500ml

Fast Glass is a highly effective cleaner, free of abrasives, waxes and silicones which leaves no residues but a crystal clear finish. This cleaner is perfect for use inside and out and cuts through dirt easily.

High definition wax 150g

Provides a lustre and depth of shine normally associated with only the most expensive handbuilt cars. It contains a carefully balanced blend of durable polymers and waxes including carnauba wax.

Leather care balm 500ml

Leather Care Balm ensures that your leather has the oils it requires, without leaving any unnatural gloss, sticky or greasy surface residues but a natural matt finish. Use Leather Care Balm twice a year.

Bodywork shampoo conditioner 500ml

Gently removes traffic film and surface contaminants and assists in preserving overall appearance. It forms a glossy, water-repellent barrier, which protects and enhances the vehicle's finish.

Interior shampoo 500ml

The easy-to-use, deodorising spray and wipe formula removes dirt and grime from synthetic fabrics, seats, carpets, door panels, roof linings, vinyl and soft-tops.

Super resin polish 325ml

The ultimate cleaner, polish and sealant, provides exceptional gloss and excellent protection for all types and colours of new or moderately deteriorated paintwork.

Car glass polish 325ml

Contains specialised cleaning and polishing elements which quickly and easily remove all common contaminants, leaving a crystal-clear, smear-free finish.

Aqua wax 500ml

Imparts a super-fast brilliant smear-free finish, even whilst the vehicle is wet. No need to dry the car between washing and polishing. Contains carnauba wax for exceptional durability.

Extra gloss protection 325ml

An extra-tough protective sealant containing a blend of hard resins and waxes, used to seal clean, dry, blemish-free paintwork that has already been polished.

INFOTAINMENT

Get connected.

INFOTAINMENT

Full Link software upgrade

Full Link is an innovative technology that keeps the driver connected to their phone without compromising on safety.

The system mirrors the phone display onto the car's infotainment screen, and displays 'driver approved' apps such as text messaging, Google Maps and music.

How does it work?

To use Full Link, you must use a USB charging cable (commonly supplied with your phone) to plug your phone into a SEAT car with a generation II infotainment system and Full Link installed.

Depending on the mobile handset type, Full Link works with one of three in-car apps:

/ **Mirrorlink** works with the latest android phones as an extension of the phone, and works with SEAT Connect, the SEAT Drive app and other SEAT apps.

/ **Android Auto** works with the latest android phones (running lollipop 5.0 or higher) to mirror the phone screen. It can work with Google Maps, Google Play Music and various other android apps. Each action is voice controlled to minimise driver distractions.

/ **Apple CarPlay** works with the iPhone 5 and later generations. It can work with apps like Siri, music, messages and Apple Maps.

Nextbase Car Dash Cam

All our Nextbase dash cam's come with a 'Go Pack' – including an 8GB SD card and Nextbase carry case – everything you need to get started.

Mii | IBIZA | TOLEDO | LEON | ATECA | ALHAMBRA

INFOTAINMENT

Nextbase 212

With an all-new design, the 212's Powered Magnetic Click&Go Mounting system uses magnets and powered touch points in the mount, allowing the dash cam itself to be free from wires, making instant removal and re-application of the device simple and quick – the ultimate in convenience.

Its 1080p HD footage filmed through Six-Element Sharp Lenses make it the best HD dash cam at its price point – an ideal choice for the newer driver.

Key features

- / 140 degree wide angle view with full 1080p High Definition recording at 30fps
- / Ultra clear 2.7" LED display for ease of playback and menu selection
- / Super slimline design – Dimensions 87 x 58 x 19 mm
- / Six-Element Sharp Lenses made with 6 layers of glass to provide stunning clear images
- / Inbuilt motion detector to detect accidents
- / Easy to install with 4m 12v power cable and Powered Magnetic Click & Go window mount included
- / Supports SDHC Micro SD cards up to 32GB

INFOTAINMENT

Nextbase 312GW

Introducing the most connected dash cam in the world. The 312GW features inbuilt Wi-Fi, allowing you to download footage to a smartphone before easily sharing it with friends, family, an insurance firm or the police. After using the Wi-Fi to connect to an iOS or Android device, the Nextbase app becomes your personal mobile store for footage you want to keep and share.

Key features

- / World's first dash cam with Powered Magnetic Click & Go Mount
- / 140 degree wide angle view with full 1080p High Definition recording at 30fps
- / Ultra clear 2.7" LED display for ease of playback and menu selection
- / Six-Element Sharp Lenses made with 6 layers of glass to provide stunning clear images
- / Inbuilt G sensor to record force data
- / SOS data protection prevents the impact/event recording from being deleted
- / Easy to install with 4m 12v power cable and Click & Go window mount included
- / Supports SDHC and SDXC Micro SD cards up to 32GB

INFOTAINMENT

Nextbase 402G

The 402G is the best reviewed dash cam in the UK. It has been recognised as the best dash cam in the UK by Which? in both 2014 and 2015, as well as the Sunday Times. Being the best dash cam in the UK, there are more 402G's on UK roads than any other dash cam or in car camera.

Key features

- / Large, bright and clear 2.7" 16:9 LED screen making viewing playback and menu functions easy
- / 1080p FULL High Definition recording every unexpected moment in perfect clarity
- / 140 degree Ultra Wide viewing angle
- / G Sensor and GPS – Technology that automatically senses a crash and saves the video files after an incident
- / GPS data records speed and location providing all the important information in case of an incident
- / 6G Lens – Six-Element Sharp Lenses, made up of 6 layers of glass, provide stunning clear and non-deformed images
- / WDR – Wide Dynamic Range captures number plate details in the bright sunlight, and at night

INFOTAINMENT

Nextbase 512G

The 512G is Nextbase's very latest dash cam, offering key features that previously were only found in top end digital camcorders.

The Nextbase 512G is the worlds first dash cam with an anti glare polarising filter to cut out windscreen reflection and ensure you get the very best footage possible. This is combined with the latest Sony Exmor sensor for ultimate picture clarity.

Key features

- / Advanced Sony Exmor sensor provides the ultimate picture quality with vivid colours
- / World's first dash cam with anti glare polarising filter to minimise windscreen reflection
- / Ultra clear 2.7" LED display for ease of playback and menu selection
- / 1080p FULL High Definition recording every unexpected moment with perfect clarity
- / 140 degree wide angle view with full 1080p High Definition recording at 30fps
- / Inbuilt G sensor to record force data
- / GPS data records speed and location information

SAFETY

Interior child monitoring mirror

Keep a closer eye on the kids in the back with this useful mirror. It fixes easily to the windscreen or the dashboard using a suction-cup mounting.

CAR SEAT BUYER'S GUIDE

Kids won't be protected by an adult seatbelt in a crash. The law states that children under 12 years of age must have a special seat if they're under 135cm in height and travelling in your car. It's crucial that you pick the right seat — it's all about your child's size and weight. There are dozens to choose from though, so take a look at the different types of car seat.

TYPES OF CHILD CAR SEAT

Baby car seats
 These are rear-facing seats for babies.

Child car seats
 Designed for kids who have outgrown the baby car seats, but aren't big enough for a booster seat.

Booster seats
 Does your kid just need a "boost" so that they can safely use an adult seatbelt? Then these are the right option for you.

Some car seats fall into more than one category. That's because they can be adapted as your child grows. They may cost a little more initially, but long-term, they're great value.

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. While SEAT makes every effort to ensure that specifications are accurate at the time of publication (March 2017), you should always check with your authorised SEAT dealership for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. The products shown here are a small sample of the range of SEAT Genuine Accessories and approved accessories available. SEAT Genuine Accessories and SEAT approved accessories availability varies by model and also by body style. Please note that all SEAT Genuine Accessories carry a two-year warranty from the point of purchase. This warranty is extended to three years when bought and fitted before registration of a brand new vehicle. Other accessories featured carry up to two-years warranty.

Issue 1. March 2017.
