

**Audi Genuine Accessories**

**Q3**

## **Audi Genuine Accessories. As individual as you are.**

Make the most of every journey in your Audi Q3, thanks to a wide range of accessories carefully selected by our experts. Each one is created with the care and attention to detail you'd expect of Audi, produced to our meticulous standards and designed to integrate perfectly with the car you drive. Take a look through this guide to see a wide selection of the accessories available, then visit the online AudiStore.

### **Sport and design**

**Page 04**

Add an extra touch of style and flair to your Audi Q3 with a range of dynamic options.

---

### **Transport**

**Page 08**

Wherever your journey takes you, make sure you can bring everything you need with genuine Audi travel accessories.

---

### **Communication**

**Page 12**

Music. Phone contacts. Social networks. Stay connected to everything that matters as you drive with our communication technology.

---

### **Family**

**Page 16**

Nothing in your Audi could be more important than your family, so we've developed features with their safety, security and convenience in mind.

---

### **Comfort and protection**

**Page 20**

Give your Audi all the protection it needs, whether it's against muddy footprints or scratches while unloading luggage.

# Sport and design

### Snow chains

For increased hold on snow and ice. Available in a range of sizes.

### Cast aluminium winter wheels in '5-arm semi-Y' design

Complete winter wheel that can be fitted with snow chains in size 17" x 6.5J with 215/60 R17 tyres. The dynamic design gives your Audi Q3 a striking look. Fuel efficiency class: C, wet grip class: B, external rolling noise class: 72 dB.

### Wheel bags

A four-part set with convenient handles for easy and clean transport and storage of complete wheels. Made from tear-resistant plastic. Wheel bolts can be stored in the outside pockets.

### Anti-theft wheel bolts (not pictured)

To stop thieves, the bolts can only be loosened with the special adapter provided.

### Valve caps (not pictured)

The four metal valve caps with embossed Audi logo provide better protection for the valve against dust, dirt and moisture. Available for rubber, metal and aluminium valves.

\*Please note the following information relating to wheels: Aluminium wheels with a high-gloss turned finish, or polished or partly polished aluminium wheels, must not be used in the event of wintry road conditions. Due to the manufacturing process, the rim surfaces do not possess sufficient anti-corrosion protection and are at risk of long-term damage due to road salt or similar materials. Please note that not all cast aluminium wheels are available as optional equipment; some are only available as a retrofit solution from your Audi Centre.

### Cast aluminium wheels in '5-arm pila' design, black\*

The cast aluminium wheel in size 19" x 8.5J for 255/40 R19 tyres captivates with an impressive look.

### Cast aluminium wheels in '5-arm pila' design, anthracite

The cast aluminium wheel in size 19" x 8.5J for 255/40 R19 tyres impresses with its distinctive design.

#### Front bumper

Painted in Stone grey, metallic. Used in combination with the stainless-steel underbody protection and the radiator grille with vertical chrome struts, the front bumper protects the front and the front underside of the vehicle.

#### Door cover strips

Painted in Stone grey, metallic. Reduce damage, for example from stone chipping.

#### Wheel arch extensions

Painted in Stone grey, metallic. Emphasise the distinctive vehicle styling and protect the body contour.

#### Offroad Style Pack

Give your Audi Q3 an even more robust and sporty look. The complete pack includes front and rear bumpers, door cover strips and wheel arch extensions.

#### Front spoiler (not pictured)

Painted in Stone grey, metallic, with a stainless-steel skid plate.

#### Rear bumper

Painted in Stone grey, metallic. The rear bumper protects the underside of the vehicle at the rear with a stainless-steel skid plate.

#### Footrest and pedal caps in stainless steel\*

As attractive as they are practical. The footrest and pedal caps are made from brushed stainless steel, with a rubber coating on the surface to provide better grip. Available for automatic and manual gearboxes.

#### Running boards

Made from stainless steel. These products make it easier to load ski and luggage boxes on the roof. Rubber pads protect against the risk of slipping. Load capacity of 200 kg each.

#### quattro film set

The quattro logo as a decal for the rear section of the vehicle on both sides. Available in either Brilliant black or Ice silver, metallic, depending on the exterior vehicle colour.

#### LED for entry area

For a bright entrance. Depending on the variant, either the quattro logo or the Audi rings are projected onto the ground by means of an LED light when the vehicle door is opened. Available in a two-part set for the driver and front-passenger side or for the rear vehicle doors. Requires the optional Lighting Pack.

\*Available as optional equipment or as a retrofit solution from your Audi Centre.

**Ski and luggage boxes**

A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier shape. Available in Platinum grey with Brilliant black sideblades and gloss Brilliant black, each featuring chrome Audi rings and a high-quality, rivet-free look. Boxes are lockable and can be opened from both sides for easy loading and unloading, with an internal handle for closing the box. The simple, quick-action securing system includes torque limitation. Positioned towards the front of the vehicle, providing optimum access to the luggage compartment. Available in three sizes: 300 litres, 360 litres and 405 litres. Can only be used in conjunction with the carrier unit.

**Bags for roof boxes**

Robust yet flexible. These bags are equipped with a watertight floor featuring a watertight border extending 5 cm upwards. Ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43 litres), M (76 litres) and L (82 litres).

**Roof carrier bag (not pictured)**

For storage or transport of a carrier unit and smaller roof rack modules. Made from durable material, with multiple loops and a side pocket for suitable tools or small parts.

**Ski and luggage boxes**

Volumes	300 l	360 l	405 l
External dimensions (LxWxH)	1,902 x 630 x 376 mm	1,756 x 826 x 376 mm	2,050 x 800 x 380 mm
Maximum number of skis	4-6	5-7	5-7
Maximum length of skis	1,750 mm	1,550 mm	1,900 mm
Maximum number of snowboards	3-4	4-5	4-5
Maximum permissible load	60 kg	75 kg	75 kg

Transport

#### Bicycle rack

The bicycle rack, made from a specially shaped aluminium profile and powder-coated steel, enables the bicycle to be attached to the car particularly easily. Lockable. Maximum load capacity 17 kg. Can only be used in conjunction with the carrier unit.

#### Bicycle carrier for the trailer towing hitch

Bicycle carrier (also suitable for electric bikes) for up to two bicycles with a maximum load capacity of 60 kg.\* The same key can be used to separately lock bikes onto the carrier and the carrier onto the vehicle. Moveable wheel restraints provide a secure hold. Easy access to the luggage compartment is possible thanks to a practical folding mechanism. The bicycle carrier can be folded up and conveniently stored in the bag provided, saving space. An extension kit for a third bicycle is also available as an option.

#### Trailer towing hitch

Mechanically swivelling trailer towing hitch. The ball hitch under the vehicle can be swivelled out for use and swivelled back in when not in use. Includes a 13-pin socket, which is integrated into the ball hitch for easy access.

#### Carrier unit for the roof rails

A carrier unit for various roof rack modules with an embossed Audi logo. The profile is made from anodised aluminium. The carrier unit is easy to fit and is mounted with anti-theft bolts. Maximum permissible gross weight of the carrier unit, roof rack modules and load: 75 kg.

#### Bicycle fork mount (not pictured)

Easy to use. Lockable. Suitable for bicycles with quick-release front wheel. Maximum load capacity 17 kg. Can only be used in conjunction with the carrier unit.

#### Front wheel holder (not pictured)

Made from anodised matt aluminium, mounted with anti-theft bolts, completely pre-assembled. Not suitable for bicycles with a half axle. Can only be used in conjunction with the bicycle fork mount.

#### Ski and snowboard rack

For easy transportation of up to six pairs of skis or four snowboards. Lockable. Can only be used in conjunction with the carrier unit.

#### Ski bag (not pictured)

A convenient way to transport your skis. The ski bag with its premium design offers space for up to four pairs of skis or three snowboards and can be secured to the fastening rings in the luggage compartment via the integrated straps. The roller system makes it easy to carry the bag outside the vehicle.

#### Kayak rack

For single kayaks weighing up to 45 kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.

#### Camping tent

Inflatable tent featuring an innovative and high-quality design with double-walled air struts – includes bag, pump, tent pegs, repair kit and two separate awnings. Sleeps up to three people. Quick and intuitive to pitch: Simply roll out the tent and inflate. Extremely stable, even when faced with wind and in different weather conditions. A weatherproof connection between the vehicle and tent is established through an optional tailor-made vehicle attachment. Can also be used without a vehicle.

#### Camping tent

Surface area	9.5 m <sup>2</sup>
Tent height	4-6
Wind resistance	1,750 mm
Water column	3-4
Weight	13.2 kg
Package dimensions	70 x 55 x 30 cm
Sleep	3

\*Please note the information regarding the maximum permissible trailer load and the gross vehicle weight rating of your car can be found in the vehicle manual.

# Communication

### iPad adapter

Adapter for Apple iPads; secured to the backrests of the front seats. The adapters can simply be slotted onto the holder for mobile devices, which is available separately. An iPad can still be used as normal. With integrated charging function and 90° pivot. Requires preparation for Rear Seat Entertainment.

### Audi Entertainment Mobile\*

The third-generation Audi Entertainment Mobile provides entertainment on the move with excellent image quality thanks to the 10.1-inch touchscreen. Perfect for videos, photos, games and music, it includes software that is intuitive to use, numerous connection options (SD, USB 2.0, HDMI IN, etc.) and a high level of functionality. By connecting to a Wi-Fi hotspot, users can access the internet (e.g. via Audi wireless internet access with LTE\*). The device can be attached in the vehicle to the backrests of the front seats or used outside the vehicle. Requires holder for mobile devices and preparation for Rear Seat Entertainment.

\*The Audi Entertainment Mobile is the winner of the Plus X Award in the product of the year category for 2015/2016.  
\*Available as a retrofit solution from Audi Genuine Accessories.

#### Audi wireless internet access with LTE\*

For an LTE internet connection with a Wi-Fi network in the vehicle. With a data transfer rate of up to 100 Mbps and a hotspot for up to eight Wi-Fi-enabled mobile devices. Access is possible from up to 100 metres outside the vehicle. The use of mobile data abroad is possible using either a domestic contract SIM card following activation in the configuration menu or a local prepaid SIM card. For more detailed information, visit your Audi Centre.

#### Wireless charging cover

Enables wireless charging of the Apple iPhone 5 upwards. To charge, simply place the inductive charging case on a Qi-compatible charging station, such as the Audi Phone Box with wireless charging.

\*A mobile phone contract (not included) is required for use.  
^For more detailed information, visit your Audi Centre.

#### Release for the navigation function^ (not pictured)

Allows the navigation function and navigation data to be activated at any point in the future (requirements: MMI Radio and Connect Pack).

#### Audi SD card (not pictured)

For storing your music: ultra-compact and universal SDHC memory card (16 GB), class 10. Comes with a protective case.

#### Retrofit solution for the preparation for Rear Seat Entertainment (not pictured)

Includes pre-cabing for one vehicle seat, as well as an attachment for the holder in the backrest. Includes a holder for mobile devices.

#### Universal mobile phone holder plus (not pictured)

Brings safe storage for your mobile and improved reception through a connection to your car aerial. Also offers wireless charging in accordance with the Qi standard (if supported by your phone). Alternatively, a mobile phone not enabled for Qi wireless charging can be charged via a type-A USB port. Requires optional mobile phone preparation (Bluetooth). Cannot be used in conjunction with the MMI® Navigation Plus or MMI Touch. For more detailed information, visit your Audi Centre.

#### Navigation update (not pictured)

Maps with advanced content (e.g. new roads and points of interest), for greater comfort and a more relaxed driving experience. Our tip: Combine the update with the next vehicle service. For more detailed information, visit your Audi Centre.

#### Adapter cables for the Audi Music Interface (not pictured)

Enable various Apple iPod and iPhone models, as well as the connection of other media players to the optional Audi Music Interface.

#### Audi Qi Wireless Charging Station for Mobile Phones

This Qi-certified wireless device can charge all smartphones without a cable via the Qi-standard. Compatible as an addition to the Audi Phone Box, the Audi Qi Wireless Charging Station can be used not only in the vehicle but also at home. Its space-saving slim design has a blue LED lamp to indicate the charging process. Simply connect to a country-specific charging adapter via the USB charging cable supplied.

# Family

#### Audi child seat youngster plus

Offers a high level of comfort thanks to the intelligent seat-belt guide. The height and width of the backrest are adjustable. Adjustments to the seat size can be made with ease using a viewing panel. Suitable for children weighing between 15 and 36 kg (approx. 4 to 12 years of age).

#### ISOFIX base for Audi baby seat and Audi child seat

A more secure fit for the Audi baby seat and the Audi child seat. Can be installed and removed quickly. The adjustable support provides better stability. Enhances the level of protection for the child. Note: The ISOFIX base is optional for the baby seat, but is mandatory for the child seat.

#### Audi child seat

Can be used in the forward or rear-facing position. With adjustable seat shell, integrated seat belt and adjustable headrest. Can only be used in conjunction with the ISOFIX base. Suitable for children weighing between 9 and 18 kg (approx. 1 to 4 years of age).

#### Child seat colour variants

All child seats are available in the colour combinations of Misano red/black and Titanium grey/black. The materials used are kind to the skin, breathable, light-resistant, removable and washable and are certified in accordance with the Oeko-Tex® Standard 100. Replacement covers are available from your Audi Centre.

#### Child seat underlay (not pictured)

Tailored to the design of the child seats as well as the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with all Audi child seats, even where the ISOFIX base is used.

#### Audi baby seat

Easy to fit using the ISOFIX base (recommended). Can also be secured using the three-point belt. The integrated seat belt ensures that the child is more secure; the attached hood also acts as a means of sun protection. With adjustable headrest. Suitable for small children up to 13 kg (approx. 12 months).

#### Audi baby mirror

Easy to secure to the headrest of the rear seat thanks to the Velcro fastener, keeping the baby in the rear-facing baby seat in view. Viewing angle can be adjusted as required. Not for integrated headrests.

#### Audi plush steering wheel

A steering wheel in an exclusive Audi design for racing drivers both big and small. Fitted with a squeaky horn for even more fun.

#### Cuddly 'Rob the Gecko'

Made from high-quality plush, Rob is hard-wearing, soft and washable.

# Comfort and protection

### Luggage compartment shell

Made-to-measure luggage compartment protection. Robust and washable. All-round edging prevents liquids from leaking onto the luggage compartment floor.

### Luggage compartment tray

Ideal for all luggage items that tend to leave traces during transportation. The inlay is made from plastic and features high edges and a robust design; it is also easy to clean. Wide grooves prevent loads from slipping.

### Luggage compartment net

Protects luggage against slipping. For fixing luggage into position via the lashing points on the luggage compartment floor.

### Loading sill protective sheet (not pictured)

The made-to-measure protective sheet for the loading sill, made from transparent film, enhances the level of protection for the bumper against damage when loading and unloading the luggage compartment.

### Loading sill protective mat (not pictured)

Protection for the bumper: Simply attach to the load hook of the luggage compartment to prevent damage when loading and unloading. Suitable for transporting dogs, as it protects the bumper against scratches. Including polyester bag with zip and strap.

### Protective film for paintwork (not pictured)

Transparent, barely visible, high-performance protective film with an extra clear coat of paint. Reduces the effects of stone chipping, scratches and scrapes. Applied to the front of Audi vehicles.

### Protective film for the sill panel (not pictured)

Practical and effective solution for protecting the entry area of the rear doors at the wheel housing arch. Transparent film made from scratch-resistant, robust plastic.

#### Wind deflectors

Enhanced interior climate and pleasant circulating fresh air: The door wind deflectors for your Audi allow the vehicle interior to be ventilated, thereby contributing to increased driving comfort – even in snow or rain. By opening the window to just above the bottom edge of the deflectors, uncomfortable heat build-up from direct sunlight becomes a thing of the past. Made from high-quality, cast acrylic glass. Available as a two-part set for the front or rear of the vehicle.

#### Coat hanger

For coats, jackets and other items of clothing. Attaches to the front head restraints.

#### Sun protection system

Offers virtually full sun protection. Made-to-measure two or three-part set for the side and rear windows. Easy to fit and stow away.

#### Premium textile floor mats

Tailored to the size of the floor in the Audi Q3. Made from durable, tightly woven velour. With a special coating on the underside. The floor mats are always secured using the points provided for this purpose on the floor of the vehicle. Q3 branded.

#### Rubber floor mats

Made-to-measure. Better protection against heavy soiling. The floor mats are always secured using the points provided for this purpose on the floor of the vehicle. Q3 branded.

#### Luggage compartment box, foldable

Made from black polyester, offering a storage capacity of up to 32 litres. Easily assembled using Velcro tabs, providing a functional and practical solution. When laid flat, the box also acts as an additional protective underlay for the luggage compartment. Washable and easy to clean.

#### Business bag

More space for your business tools. The high-quality business bag offers you a storage volume of approx. 14 litres – enough space for a laptop of up to 15 inches, as well as the various other things you need for the office. Can be securely fastened to the rear seat bench or the front passenger seat using the three-point seat belt. Can also be used outside the vehicle as an attractive briefcase.

#### Rear seat box

A sturdy storage solution for various small items. The high-quality rear seat box with a volume of approx. 12 litres makes journeys even more comfortable. It can be secured to the rear seat bench in just a few steps using the standard three-point belt. Includes a mesh pocket with internal drawstrings to secure the contents.

#### Seat back pocket

Additional storage capacity in a high-quality Audi design with various practical sections – for an even tidier interior. The pocket has a volume of approx. 11 litres and can be secured to the backrest of the front seats. The handles also enable it to be used outside the vehicle.

#### Safety harness for dogs

Safety harness for dogs available in four sizes. Made from highly resistant materials, including tear-resistant nylon and stainless-steel parts. Special padding makes things more comfortable for your pet. With reflective strips in the chest area. Can double as a harness for use outside the vehicle.

#### Rear seat protective cover

The versatile zip-fastening system allows dogs to enter and exit the vehicle via the rear doors. Simple and fast to attach. Durable surfaces, watertight and washable.

#### Sun protection film (not pictured)

Made-to-measure sun protection in the form of high-quality, preformed 3D sections of film. The film prevents people from looking into the vehicle from outside, reduces unpleasant glare, keeps the vehicle cool for longer, and filters out UV radiation. The specially hardened scratch protection layer ensures durability and easy maintenance.

#### Shoe organiser

Organisation on the go: The shoe organiser can be integrated into the high-quality Audi interior and offers storage space for up to three pairs of shoes. The backrest of the front seats is also protected against soiling from shoe prints and stains. Not for integrated head restraints.

#### LED gooseneck reading lamp

An extremely bright light exactly where you need it, thanks to the flexible silicone rubber neck. High level of stability in any position. Connection via the cigarette lighter.

#### Anti-marten device (not pictured)

Keeps animals away from your Audi. A battery-powered, high-voltage device with double-pole stainless steel contact plates. Does not require an electrical connection to the vehicle. Emits ultrasonic signals.

#### Retrofit solution for the cruise control system (not pictured)

Automatically controls the speed of the vehicle, even when travelling up and downhill. The system can be implemented when you are travelling at 19mph or more. The set speed will be displayed in the Driver's Information System and is controlled by the steering column lever. Speed can be adjusted, up or down, in 1mph increments by moving the lever up and down. The system disengages when the accelerator or brake is applied.

#### Retrofit solution for the parking system (not pictured)

Supports drivers by emitting an audible signal whenever there is insufficient distance from obstacles. Four unobtrusive ultrasonic sensors are installed in the rear bumper. Activated by selecting reverse gear.

#### Rubbish bin

A practical product for disposing of rubbish accumulated when travelling, with a waterproof interior compartment and a capacity of approx. 5 litres. Can be secured to the backrest of the front seats. Easy to clean. Standard refuse bags can also be used and secured easily inside the rubbish bin.

### Care products

---

Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.

### Gecko air freshener

---

Attaches easily to the air vents and fills the vehicle interior with a pleasant fragrance. No risk of leakage because the gecko air freshener does not contain any liquid.

### Vehicle cover for indoor use

---

Ideal fit, in Anthracite, bearing the Audi logo. Made from a breathable and anti-static material. The piping accentuates the shape of the vehicle. Excellent protection from dust and dirt.

### Espresso mobile

---

With a pressure of 16 bar, the espresso mobile delivers true espresso enjoyment, complete with authentic creamer. The set includes 18 illy ESE pods, two shatterproof espresso cups, a microfibre cloth and an elegant case. Connection via the cigarette lighter in the vehicle interior.

### Audi Tracking Assistant plus (not pictured)

---

Enables the tracking and tracing of a stolen vehicle in many European countries via GPS/GSM technology. With automatic driver recognition and an intelligent restart restriction function. For more detailed information, visit your Audi Centre.
