

AL-GHAZI TRACTORS LIMITED

DIRECTORS' REPORT

The year 2010 has had a fantastic start and the Company, for the first quarter ending March 2010, achieved record production and record profit, highest for the first quarter ever in the history of the Company.

8,319 tractors were produced during the quarter compared with 6,696 produced in the same period last year. On sales of 8,036 tractors in the first quarter, the Company earned a pre-tax profit of Rs. 777.3 million, compared with Rs. 572.5 million in the same period last year.

The Sindh Government's scheme to subsidize sale of 5,000 tractors was launched in February 2010. While the pace of bookings under the scheme is rather slow, the Company is still waiting for procedures with reference to payments.

The Punjab Government's Green Tractor Scheme was also launched in March 2010 and the cut off dates for closure of bookings is mid May.

The Company has made arrangements to deliver tractors promptly as accomplished last time in 2008 when the first phase of the Green Tractor Scheme was launched.

The Company's financial results will be placed on the Company's website at www.alghazitractors.com.
