Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel

Personalisation

- Turn the GLE into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

Multi-gesture touchpad control

The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers ¹LINGUATRONIC off-board functions are currently only available for three years

Digital Extras Stay connected any time, anywhere

Digital Extras are a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Digital Extras let you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Digital Extras help to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

Infotainment – Online and Entertainment services

Love music? Get a 3-month free subscription to Tidal when you connect your car.

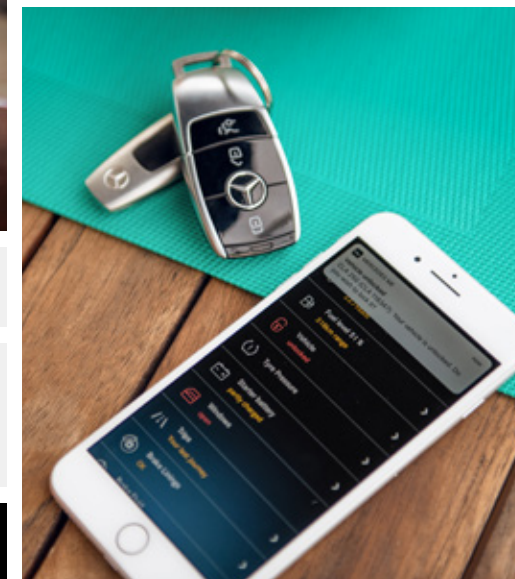

Live Traffic Information, Parked Vehicle Locator and much more

Forgot where you've parked? Parked Vehicle Locator¹ will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Mercedes-Benz Agent or visit the Mercedes-Benz store at shop.mercedes-benz.com/en-gb/connect

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

¹The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

²Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

³Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

GLE

Plug-in Hybrid

[Book a test drive](#)[Find your GLE](#)[Find a Showroom](#)

Plug-in Hybrid Electric Vehicle (PHEV) The GLE 350 de 4MATIC and GLE 400 e 4MATIC

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

GLE 350 de 4MATIC

Diesel – 1,993 cc, 4-cylinder, 197 hp/145 kW
Electric motor – 156 hp/115 kW

GLE 400 e 4MATIC

Petrol – 1,999 cc, 4-cylinder, 252 hp/185 kW
Electric motor – 156 hp/115 kW

SUV OTR from **£78,495¹**
Coupé OTR from **£81,495¹**

SUV OTR from **£80,495¹**
Coupé OTR from **£83,495¹**

Available as:

SUV: Urban Edition, AMG Line Premium and AMG Line Premium Plus
Coupé: Urban Edition, AMG Line Premium and AMG Line Premium Plus

Standard equipment

- Acoustic presence indicator
- Charging cable – 5 metres, straight, for household socket
- Charging cable – Mode 3 cable (8 metres, straight), for wallbox and public charging stations
- Charging socket
- Charging system rated at 7.4kW AC (home wallbox)
- Charging system rated at 11kW AC (public wallbox)
- Charging system rated at 60 kW DC
- Pre-entry climate control⁷
- Radar-based recuperation
- Remote and Charging Services Plus⁷

Technical details	SUV	Coupé
Equivalent All-Electric Range (EAER) ²	58–67 miles	61–70 miles
Charging time		
DC charging (60 kW DC) 10–80% ³	29 mins	29 mins
Public wallbox (11 kW AC) 10–80% ⁴	3 hrs	3 hrs
Home wallbox (7.4 kW AC) 10–100% ⁵	4 hrs	4 hrs
Range power consumption, combined ^{2,6}	271–309 Wh/km	262–298 Wh/km
Battery type (capacity)	lithium-ion (25 kWh)	lithium-ion (25 kWh)
Capacity on-board charger	11 kW AC; 60 kW DC	11 kW AC; 60 kW DC

¹The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

²The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging

³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–80% charge using DC charging at 60 kW

⁴Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–80% charge using public wallbox charging at 11 kW

⁵Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase)

⁶The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency

⁷The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

[Book a test drive](#)[Find your GLE](#)[Find a Showroom](#)

Plug-in Hybrid Electric Vehicle (PHEV) The Mercedes-AMG GLE 53 HYBRID 4MATIC+

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

Mercedes-AMG GLE 53 HYBRID 4MATIC+
Petrol – 2,999 cc, 6-cylinder, 449 hp/330 kW
Electric motor – 170 hp/125 kW

MB.CHARGE Public¹ One registration, one contract, one billing

MB.CHARGE Public¹ provides access to a multitude of public charging stations located in shopping centres, hotels or at motorway services. A smartphone app as well as the vehicle's navigation system show the precise location, current availability and price at the selected charging station.

MB.CHARGE Public – Private customer

Tens of thousands charging stations in the UK

Growing network of charging providers includes bp pulse the largest charging network in the UK.

Access to fast-charging stations

Enables customers to get access to charging stations of different providers with:

- Mercedes-Benz app
- RFID card
- Vehicle Head unit

Green charging

All charging using MB.CHARGE Public¹ will be retrospectively 'greened' by Mercedes-Benz.

Transparent and easy billing

One invoice charging processes for payment.

Easy access

Charging stations are displayed in Mercedes-Benz app and in MBUX multimedia system.

No fees

Enjoy free access to MB.CHARGE Public's convenient, reliable, and user-friendly charging network.

MB.CHARGE Public – Business customer

Key features

- All MB.CHARGE Public Private customer features²
- Charging fleet portal
- Company payment and billing
- Flexible prices per kWh

¹The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

²Excluding MB.CHARGE Public Private customer tariffs

MB.CHARGE Public¹ Private customer tariffs²

Charge smarter with our Preferred Partner Network and access exclusive savings with lower rates on Tariff L and M compared to standard tariffs.

Tariff L²

Recommended for 'frequent drivers'

Choose our tariff L to benefit from the best exclusive savings of our tariffs as well as all MB.CHARGE Public¹ features. This tariff is recommended for frequent and long-distance drivers.

Consisting of:

- All MB.CHARGE Public¹ features
- Fixed prices per kWh
 - IONITY: £0.55/kWh
 - bp pulse, Be.EV and Smart Charge: £0.59/kWh + £0.17/min after 90 mins
- 15% discount across the rest of the MB.CHARGE Network

£9.90/month

Tariff M²

Recommended for 'regular drivers'

Tariff M offers discounted pricing across our Preferred Partner Network, recommended for regular drivers.

Consisting of:

- All MB.CHARGE Public¹ features
- Fixed prices per kWh
 - IONITY: £0.62/kWh
 - bp pulse, Be.EV and Smart Charge: £0.65/kWh + £0.17/min after 90 mins
- 10% discount across the rest of the MB.CHARGE Network

£4.90/month

Tariff S²

Recommended for 'casual drivers'

Should you prefer flexibility, tariff S offers all MB.CHARGE Public¹ features with flexible pay-per-use pricing across the entire network. This tariff is recommended for casual drivers.

Consisting of:

- All MB.CHARGE Public¹ features
- Flexible prices per kWh depending on provider

£0/month

¹The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers. Price information is not guaranteed and is subject to change. For definitive pricing information or should you not wish to continue with the tariff, your cancellation rights and current pricing can be found <https://eu.charge.mercedes-benz.com/web/en/mb-gb/tariffs>

²This offer is exclusively for consumers. The distinction between consumer and business is determined by the type of vehicle linkage (private profile or company profile)

Next generation of home EV charging with Ohme

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing an Ohme charger.

Home charging with Ohme: from £925* incl. VAT and standard installation

Key benefits of Ohme:

Ohme specialise in providing future-proof electric vehicle charging solutions, in particular smart, affordable and easy-to-use charging products.

Save money: If you have a time-of-use tariff or a variable tariff, you'll pay less for your electricity at certain times of the day. Ohme uses your tariff information to charge your vehicle when the price is low to maximise your savings.

Ohme is the only EV charging provider to integrate with all energy tariffs, including Intelligent Octopus and OVO Charge Anytime – the next generation, smart EV charging tariffs.

Easy installation process.

Choice of tethered or untethered units.

Award-winning customer service – check Trustpilot for more information.

A 3-year warranty is included.

Connect your charger to the Ohme smartphone app to unlock smarter and cheaper charging at home. Easy-to-use, the Ohme app will give you full control to get more from your EV.

Ohme's chargers are compliant with the UK New Smart Charger Regulations for complete peace of mind.

OZEV Grant:

You may be entitled to claim an OZEV grant towards the cost of your home charger!¹ To check your eligibility, simply contact your local Mercedes-Benz Agent.

Questions?

Need help with home charging solutions? Simply contact your nearest Mercedes-Benz Agent – they'll be happy to submit an enquiry to your preferred charging partner on your behalf.

Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

*Price excludes £500 OZEV EVHS Grant. Price correct at time of publication, subject to change ¹The home charger £500 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). Full details and eligibility criteria for the OZEV EVHS Grant can be found [here](#)

Home charging with Pod Simple, convenient, fast charging

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a Pod Point home charger.

Home charging with Pod from £899* inc. VAT and standard installation¹ or £0 Pod Drive sign-up fee

Pod Drive

Pod Drive is a new all-inclusive subscription service to spread the cost of installing a homecharger. £0 sign-up fee for Mercedes-Benz customers (usually £99) and £40 a month for 3 years. The service includes additional benefits such as 7,500 miles a year in cashback and enhanced warranty cover.

Key benefits of Pod:

Pod is one of the leading provider of EV charging in the UK with over 250,000 home chargepoints installed.

Auto Power Balancing lets you adjust your charge so that your electrical supply doesn't get overloaded when your home is using a lot of energy.

Built-in earthing protection removes the needs for expensive earth rods.

Buy a Pod Point for a discounted cost of £899 for an untethered and £949 for a tethered. Or, sign up for Pod Drive with a £0 sign-up fee.

The Pod public network consists of over 9,200 charging bays across the UK.

5 year warranty as standard, free of charge.

The standard installation package includes up to 15m of external cabling.

OZEV Grant:

You may be entitled to claim an OZEV grant towards the cost of your home charger.² To check your eligibility, simply contact your local Mercedes-Benz Agent.

Questions?

Need help with home charging solutions? Simply contact your nearest Mercedes-Benz Agent – they'll be happy to submit an enquiry to your preferred charging partner on your behalf.

Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

*Price excludes £500 OZEV EVHS Grant. Price correct at time of publication, subject to change ¹Full terms and conditions of home charging with Pod can be found [here](#) ²The home charger £500 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). Full details and eligibility criteria for the OZEV EVHS Grant can be found [here](#)

¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. ²Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. ³A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 75 for the relevant rate for the second and subsequent years. ⁴The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

Become the AMG expert

Unleash a new level of performance.

Step into the world of performance and experience the AMG brand at Mercedes-Benz World – from the powerful sound of the engines to the smell of the leather to the unmistakable design of our vehicles.

Mercedes-Benz World invites all Mercedes-AMG customers to a complimentary adrenaline-packed driving experience. Feel the sensational AMG driving performance, develop your driving skills and even try your hand at power-sliding on the Wet Skid Circle. With expert one-to-one guidance from a Driving Specialist in the passenger seat, experience every inch of our Handling Circuits, Dynamic Straight and low friction surfaces.

[Click here for more information](#)

TERMS AND CONDITIONS

The following customers only are eligible: The first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary training must be booked and taken within 12 months of email receipt. The training is available Monday - Friday only (excluding bank holidays) and subject to availability. Upgrades are available for an additional cost, details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz UK Limited reserves the right to amend or withdraw this training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the training experience.

The training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Retailer demonstrator vehicles are not eligible.

¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. ²Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP> ³A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 75 for the relevant rate for the second and subsequent years ⁴The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

Classic Styling package

Refined and confidently elegant, the Classic Styling package enhances your GLE with 22-inch AMG 5-twin-spoke light alloy wheels featuring black inserts and a high-sheen rim flange. A silver-painted diamond grille with chrome accents adds a distinctive front-end presence, while chrome trim on the front and rear aprons brings a polished touch. Stainless steel roof rails and body-coloured side mirrors maintain a cohesive look, finished with chrome windowline and beltline detailing that elevate the overall silhouette.

Classic Styling package (code DCS) – designed as a package, including items as listed below.

AMG Line Premium Plus only **No-cost option**

Optional equipment may change the CO₂ value, please check your desired specification on the online configurator

Classic Styling package comprises:

22" AMG light alloy wheels, 5-twin-spoke design, with black inserts and high-sheen rim flange (code RXT)

Diamond grille with single louvre, painted silver with chrome inserts

Front apron trim strip in chrome

Rear apron trim strip in chrome

Roof rails in stainless steel finish

Side mirror housings painted in body colour

Windowline and beltline trim strips in chrome

Driving Assistance package¹

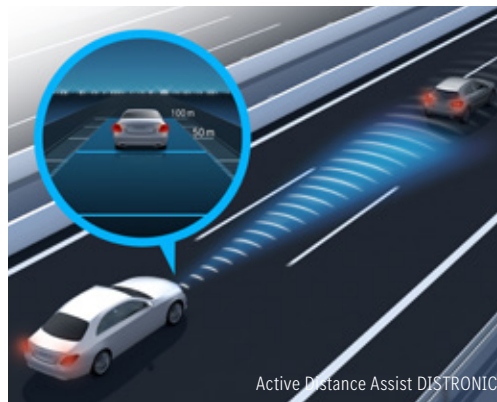

The Driving Assistance package¹ contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency.

Driving Assistance package¹ (code P79) – designed and priced as a package, including items as listed.

All models

Total incl. VAT £1,695.00

Standard Mercedes-AMG GLE 63 S 4MATIC+ Night Edition Premium Plus

Active Distance Assist DISTRONIC

Active Braking Assist

Driving Assistance package comprises:

Active Braking Assist with cross-traffic function can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences

Active Distance Assist DISTRONIC helps maintain the desired distance from the vehicle in front with extended automatic re-start on motorways

Active Emergency Stop Assist: immediate emergency braking if evasion is impossible with SOS function

Active Lane Keeping Assist aids safe driving by monitoring the edges of the road and assists the driver with steering corrections to stay inside the lane

Active Speed Limit Assist ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

Active Steering Assist with turning manoeuvre function: targeted steering intervention to prevent unintentional drifting out of lane

Active Stop-and-Go Assist

Blind Spot Assist can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one sided braking intervention.

Evasive Steering Assist can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

Exit warning function

Route-based speed adjustment: adaption of speed before curves, roundabouts and junctions with end of traffic jam function

Active Blind Spot Assist

¹Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein

Carbon Ceramic Braking System package

The AMG ceramic high-performance composite braking system (front axle) is the perfect counterpart to the powerful engine of your AMG. Even under extreme stress, it stands for short stopping distances, precise control and maximum durability. Compared with the standard brakes, it is characterised by low weight and thus enhances agility.

Carbon Ceramic Braking System package (code B07) – designed and priced as a package, including items as listed.

Mercedes-AMG GLE 63 S 4MATIC+ Night Edition Premium Plus only

Total incl. VAT £3,500.00

Optional equipment may change the CO₂ value, please check your desired specification on the online configurator

Carbon Ceramic Braking System package comprises:

Brake disc on front axle in carbon-ceramic composite technology: diameter 440×40mm with 6-piston fixed calliper, ventilated inside and perforated

Brake discs on the rear axle in integral design: diameter 370×32mm, ventilated inside, perforated and grooved with 1-piston combined floating calliper

Brake callipers painted bronze colour with 'AMG Carbon Ceramic' lettering on the front axle

¹Figures according to Directive 80/1269/EEC in the currently applicable version ²The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging ³The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency ⁴Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-80% charge using DC charging at 60 kW ⁵Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-80% charge using public rapid charging at 60 kW ⁶Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wallbox (three-phase) or standard socket (single-phase)

Insurance ratings may vary depending on model line and specification.

⁷Electrically limited ⁸Figures according to Directive 92/21/EC (kerb weight with fuel tank 90% full, driver, 68 kg, and luggage, 7 kg) for standard-specification vehicles. Optional extras and accessories will generally increase this figure and reduce the payload capacity accordingly ⁹All figures are based on a standard specification with the smallest tyre size ¹⁰The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence ¹¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions and the relevant Excise Duty are shown on the model pricing pages.

Road fund licence rates for tax year 2026/27, effective from 1 April 2026

Band	CO ₂ emissions (g/km)	First year rate (£)	Standard rate (£)	Premium rate (£) ¹
A	0	10.00	<u>200.00</u>	<u>640.00</u>
B	1 to 50	<u>115.00</u>	<u>200.00</u>	<u>640.00</u>
C	51 to 75	<u>135.00</u>	<u>200.00</u>	<u>640.00</u>
D	76 to 90	<u>280.00</u>	<u>200.00</u>	<u>640.00</u>
E	91 to 100	<u>365.00</u>	<u>200.00</u>	<u>640.00</u>
F	101 to 110	<u>405.00</u>	<u>200.00</u>	<u>640.00</u>
G	111 to 130	<u>455.00</u>	<u>200.00</u>	<u>640.00</u>
H	131 to 150	<u>560.00</u>	<u>200.00</u>	<u>640.00</u>
I	151 to 170	<u>1,410.00</u>	<u>200.00</u>	<u>640.00</u>
J	171 to 190	<u>2,270.00</u>	<u>200.00</u>	<u>640.00</u>
K	191 to 225	<u>3,420.00</u>	<u>200.00</u>	<u>640.00</u>
L	226 to 255	<u>4,850.00</u>	<u>200.00</u>	<u>640.00</u>
M	over 255	<u>5,690.00</u>	<u>200.00</u>	<u>640.00</u>

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price
¹Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

Services and insurance

Mercedes-Benz Service Plans

We believe that servicing and repair costs should be as flexible and affordable as possible for your GLE, which is why we offer a choice of Service Plans to make it easy to budget for all your servicing, MOT and repair costs. It spreads your bills into manageable monthly payments based on whether you have a new or used Mercedes-Benz.

- **ServiceCare** – guarantees the price of parts and labour for up to four services and safeguards against any inflationary influences. It also covers your annual MOT fees depending on the age of your vehicle when you take your plan out.
- **CompleteCare** – our most comprehensive plan covering all your servicing, MOT, wear & tear needs as well as Extended Warranty once your vehicle turns four years old.
- **Extended Warranty** – protect yourself against sudden or unexpected repair costs after your initial warranty period has ended after three years. There are three policy options to choose from: 12-month, 24-month or a monthly pay-as-you-go option.

[Click here for more information](#)

Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover¹. It gives you 5 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Agent. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

[Apply for First Cover](#)

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects² and up to 30 years warranty against perforation due to corrosion from the inside out.³ What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.³

¹Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance

²Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Mercedes-Benz Agents

³Subject to full Terms and Conditions, dependent on date of registration, available upon request
