TANK 500

3.0L TURBO DIESEL

www.gwm.co.za

EXPERIENCE THE **EXTRAORDINARY**

GWM's flagship luxury SUV, the TANK 500 brings together commanding design, refined comfort and confident capability. Now with a 3.0L turbo diesel engine, it builds on that distinctive character, delivering a driving experience shaped by thoughtful craftsmanship and attention to detail. This is luxury with the presence to make an impression and the versatility to take you further.

POWER **UP**

Powered by a 3.0L turbo diesel engine producing 170 kW and 620 Nm of torque, the TANK 500 delivers a commanding blend of power and precision. Enjoy confident performance on the open road and the capability to explore beyond the everyday. Its 3 500 kg towing capacity lets you bring your boat or caravan along, giving you more ways to enjoy the places you love.

Model-dependent features mentioned.
Please consult specifications section from page 16 - 21.

BLACK DETAILS. **PURE ALLURE.**

Model-dependent features mentioned. Please consult specifications section from page 16 - 21.

The TANK 500 3.0L Turbo Diesel brings executive appeal to its commanding design. A bold, commanding grille, striking black exterior trims and 18-inch wheels enhance its imposing profile. Distinctive black detailing accentuates its sculpted lines, while defined rear styling completes a look that balances rugged character with premium appeal.

INSIDE THE PEAK OF **LUXURY**

Step inside a sanctuary crafted for the senses, where seven seats and premium interior finishes create a luxurious, welcoming cabin. An expansive panoramic sunroof fills the interior with natural light, enhancing the sense of space and comfort on every journey.

Model-dependent features mentioned. Please consult specifications section from page 16 - 21.

12.3-inch Digital Instrument Cluster & Multifunction Steering Wheel

Leather Seats with Heated, Ventilated & Massaging Front Seats

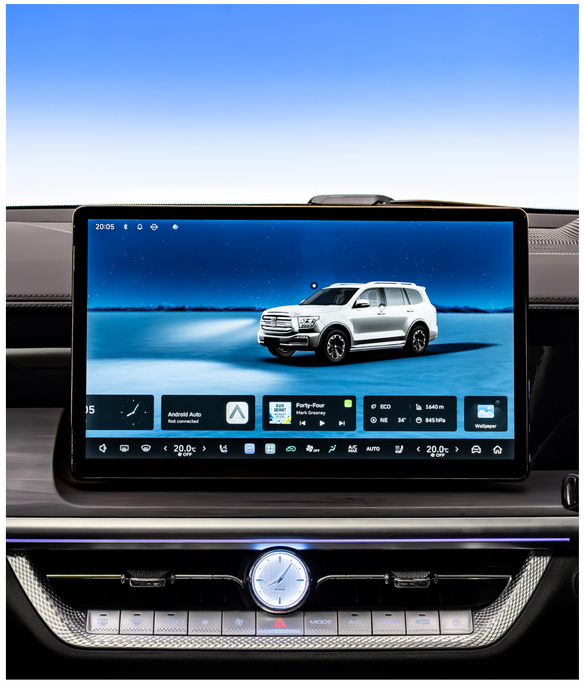

Aeronautic-Style Electronic Gear Shifter

THE ART OF **INTUITIVE CONTROL**

Model-dependent features mentioned. Please consult specifications section from page 16 - 21.

Technology should feel seamless. Powered by GWM Coffee OS 3, the TANK 500 puts everything within easy reach through its 14.6-inch central touchscreen and intelligent Voice Command. A 12-speaker sound system fills the cabin with rich, immersive sound.

INTELLIGENT SAFETY AT EVERY TURN

The TANK 500 3.0L Turbo Diesel offers a comprehensive suite of active and passive safety features to help protect you and your passengers. These include Automatic Emergency Braking, Lane Keep Assist and Driver Fatigue Monitoring, designed to support greater awareness and confidence behind the wheel.

Model-dependent features mentioned. Please consult specifications section from page 16 - 21.

DISCLAIMER

When towing a trailer, pay attention to the weight limits for passengers and luggage in the towing vehicle to avoid exceeding the maximum gross combination mass. For example, when the trailer is at its maximum mass, reduce the number of passengers and the amount of luggage in the towing vehicle. Consult your local service provider for specific requirements. All vehicle configurations, functions, exterior colours and interior details shown herein are for reference only. Specifications may be adjusted without prior notice in accordance with production batches and local regulatory requirements of sales regions. GWM SA reserves the right to final revision and interpretation of all vehicle configurations, technical parameters and colour schemes.
